Leeton Shire Council	DP Progress Report	Q2, 2021/22
----------------------	--------------------	-------------

17d.07	Implement all the short-term goals identified in Council's Local Strategic Planning Statement (LSPS) by 30 June 2023	Percentage of short term goals implemented by June 2022	50%	65% - in progress 20% - completed	17/26 short term actions are currently in progress. The actions are the following: 1. Advance with neighbouring Councils the establishment of the WRConnect at Wumbulgal for freight, logistics, industrial and port functionality in support of agribusiness, ideally as a NSW Government endorsed local or special activation precinct. Progress next iteration of the masterplan and business case.	Manager Planning, Building and Health
					Complete an Integrated Watercycle Management Plan. Underway.	
					3. Advocate for a Heavy Vehicle Bypass for Leeton Shire that connects regional roads to industrial areas and WRConnect.	
					Develop a masterplan or precinct plan for Gogeldrie Weir and surrounds. Completed.	
					5. Develop a Development Control Plan to preserve and enhance heritage buildings in the CBD by introducing development standards on signage, facades and external colours. Underway.	
					6. Complete a local housing strategy to ensure adequate supply of diverse housing choices and should include a review of current residential zoned land against the Flood Plain Risk Management Study (FRMP). Underway.	
					7. Develop Water and Wastewater Development Services Plan (DSP) that will facilitate residential growth. Not yet commenced.
