ITEM 8.14 ENDORSEMENT OF THE DRAFT OPERATIONAL PLAN FOR 2023/24, DRAFT BUDGET FOR 2023/24, DRAFT REVENUE POLICY (INCLUDING FEES AND CHARGES) AND DRAFT LONG TERM FINANCIAL PLAN FOR 2023/24

RECORD NUMBER	23/48
RELATED FILE NUMBER	EF17/63
AUTHOR/S	Manager Finance IP&R Coordinator
APPROVER/S	Director Corporate General Manager

SUMMARY/PURPOSE

The purpose of this report is for Council to review and endorse the following documents to enable them to be placed on public exhibition and call for community submissions on the draft documents:

1. The DRAFT Operational Plan for the 2023/24 Financial Year
 2. The DRAFT Budget for the 2023/24 Financial Year
 3. The DRAFT Revenue Policy for the 2023/24 financial year (including DRAFT Schedule of Fees and Charges for the 2023/24 financial year)
 4. Draft Long Term Financial Plan (2023 to 2033).
-

RECOMMENDATION

THAT Council endorses for public exhibition from Thursday 27 April 2023 until Thursday 25 May 2023 the following documents:

1. The DRAFT Operational Plan for the 2023/24 Financial Year.
 2. The DRAFT Budget for the 2023/24 Financial Year.
 3. The DRAFT Revenue Policy for the 2023/24 Financial Year (including DRAFT Schedule of Fees and Charges for the 2023/24 Financial Year).
 4. The DRAFT Long Term Financial Plan (2023/24 – 2032/33).
-

REPORT

(a) Background

As required by the *Local Government Act 1993* (the Act), Council operates under the Integrated Planning and Reporting (IP&R) guidelines which aim to streamline Council operations and optimise the use of resources.

Sections 402 to 406 of the Act require all Councils within NSW to prepare the following documents:

Schedule	Documentation	Timeframe
Annually	Annual Operational Plan (Including Budget, Revenue Policy and Long Term Financial Plan)	By 30 June each year
Annually	Annual Report	By 30 November each year
Following each election	Delivery Program	By 30 June of the year following an election
Following each election	Resourcing Strategy <ul style="list-style-type: none"> Long-Term Financial Plan (minimum 10 years but reviewed annually). Asset Management Strategy (minimum 10 years). Workforce Management Strategy (minimum 4 years) 	By 30 June of the year following an election
Following each election	Community Strategic Plan (minimum 10 years)	By 30 June of the year following an election
Following each election	State of the Shire report	Second Meeting of newly elected Council

(b) Discussion

DRAFT OPERATIONAL PLAN FOR 2023/24 (Attachment 1)

The annual Operational Plan supports the Delivery Program. It is Council's action plan for achieving the community priorities outlined in the Community Strategic Plan (CSP) and Delivery Program. It details the activities – projects, programs and actions – Council will undertake in the coming year to achieve the Delivery Program strategies. The Operational Plan also details how Council will fund these actions.

Quarterly reports to Council's Senior Management Team track Council's performance against the targets identified in the Operational Plan. These reports include performance against service delivery activities and performance measures.

Six-monthly reports to Council and the community track Council's performance against the targets identified in the Delivery Program.

The DRAFT Annual Operational Plan 2023/24 (**Attachment 1**) has been developed for the purpose of consultation with the community. The public exhibition period will enable submissions to be made and considered before the final document is adopted by Council at the June 2023 Ordinary Council Meeting.

THE DRAFT BUDGET FOR 2023/24 (Attachment 2)

The Budget for 2023/24 provides the funding for Council to achieve the actions identified in the Operational Plan. The following identifies key information, assumptions and guidelines used in the preparation of the 2023/24 Budget.

- Rates income is based on a rate peg amount of 3.7%
- User Charges and Fees have increased on average from 0% to 10% resulting in a 2% increase overall compared to the year prior
- Interest on Investments is based on an average of investment returns of 4%
- Wages have been prepared based on a minimum increase of 2.5% and superannuation has increased by 0.5% from 1 July 2024 as per legislation.

Overall expenses have been budgeted to reduce slightly compared to the year prior (\$80K).

Operational Budget

The DRAFT Operational Budget 2023/24 is prepared on a "by fund" basis with the General Fund excluding Domestic Waste Management (DWM), Water Fund and Sewer fund separated where practicable. An analysis of the budgeted consolidated operating result for 2023/2024 shows the following breakdown between the Funds, delivering a deficit overall.

Operating result excluding Capital Grants and Contributions

General Fund	(\$2,516K)
Domestic Waste Management (DWM)	\$ 55K
Water Fund	\$ 134K
Sewerage Fund	\$ 93K
Consolidated	(\$2,234K)

Council has earmarked \$5.6M to be borrowed during the 2023/24 Financial Year. This will take Council's total borrowings to \$13.6M.

Capital Budget

The draft budget (**Attachment 2**) details Council's Capital Works Program for the 2023/24 Financial Year. The proposed Capital Works amounts to **\$8.5M** including Revotes but excluding Carry Forward works.

DRAFT REVENUE POLICY INCLUDING DRAFT FEES AND CHARGES FOR 2023/24 (Attachment 3)

The Rate Peg of 3.7% has been applied to Council's General Rates. While this means that Council's General Rates income increase is capped at 3.7%, it does not necessarily mean that any individual rates obligation will increase by 3.7% - some may be less, some may be more. This is especially true in 2023/24 as the Valuer General has issued new property valuation data to be applied in 2023/24

The maximum interest chargeable on overdue rates and accounts of 6% was advised by the Office of Local Government.

2023/24 has seen change to several fees and charges with some being removed. While most have increased marginally some have increased by 10% due to a "catch up" on inflation in 2022/23 coupled with indexation for 2023/24. There is an overall increase of 2% in fees and charges.

DRAFT LONG TERM FINANCIAL PLAN (Attachment 4)

In ensuring Council maintains the capacity to sustainably deliver infrastructure and services over the medium to long term, Council's Long Term Financial Plan (LTFP) is regularly reviewed. The ten-year plan presents a forecast and several scenarios to assist in planning and analysis by Council. The LTFP considers range of inputs that impact on Council's projected finances and key performance indicators.

The Long Term Financial Plan signals strongly that Council needs to urgently address the financial sustainability of its General Fund.

(c) Options

The Draft Operational Plan for the 2023/24 Financial Year (including the Draft Budget for the 2023/24 Financial Year), the Draft Revenue Policy for the 2023/24 Financial Year (including the Draft Fees and Charges for the 2023/24 Financial Year) and Draft Long Term Financial Plan are being recommended for endorsement by the Council in order to undertake public consultation.

Alternatively, Council can endorse as above with amendments.

(a) Financial

The 2023/24 Budget is in deficit for the General Fund excluding Domestic Waste Management (DWM). While Council does have the cash reserves to remain operational for the next 12 months ("a going concern") the cash reserves are depleting. This trend is forecast to continue in the base case of the LTFP.

The financial implications of the proposed Budget and Revenue Policy are outlined in the body of this report.

Proposed borrowings will only be drawn down as and when they are required.

(b) Policy

Liveable Leeton 2035 – Community Strategic Plan
Resourcing Strategy 2022-2032

(c) Legislative/Statutory

Section 405 (1) of the Act requires Council to adopt an Operational Plan before the beginning of each Financial Year. It also requires Council to detail the activities to be engaged in by the Council during the year as part of the Delivery Program covering that year.

Section 405 (3) of the Act requires the draft Operational Plan to be publicly exhibited for at least 28 days and for public notice to be given that submissions may be made on the draft.

Section 405 (2) of the Act requires Council's Operational Plan to include a statement of the Council's Revenue Policy for the year covered by the Operational Plan. The statement of Revenue Policy must include the statements and particulars required by the Regulations.

(d) Risk

As per section 405 of the *Local Government Act 1993* a Council must have an Operational Plan that is adopted before the beginning of each financial year.

As per section 403 of the *Local Government Act 1993* a Council must have a Resourcing Strategy which includes the following 3 components:

- Long Term Financial Planning
- Workforce Management Planning
- Asset Management Planning

Community expectations of Council to deliver facilities and services must also be managed. The level of expectation when not well managed can create reputational risk. This risk has been mitigated through thorough internal consultation with staff and by Council's approach to proactive engagement with the community prior to the adoption of these documents.

Council has several resourcing risks to consider in relation to the 2023/24 DRAFT Budget. The capacity to repay borrowings which will be required as part of the DRAFT Capital Works Program has been confirmed as achievable.

Historically Council is heavily reliant on Capital Grants as part of its Capital Works Program, and this is still the case for a good portion of its current capital program. However, from 2023/24 only \$500K is currently forecast as income. As such Council may become limited in its ability to renew existing assets or invest in new or upgraded assets without additional capital grants.

CONSULTATION

(a) External

The purpose of bringing these draft documents to Council for endorsement is to commence the external consultation phase.

Submissions from the public will be accepted from Thursday 27 April 2023 until Thursday 25 May 2023 – 28 days.

A report for the final adoption of the Operational Plan for 2023/24 (including Draft Budget or 2023/24), the Draft Revenue Policy for 2023/24 (including the Draft Fees and Charges for 2023/24) and Draft Long Term Financial Plan will be presented to the Ordinary Meeting of Council, which is scheduled for Wednesday 28 June 2023.

(b) Internal

All identified Operational Plan Responsible Officers
Senior Management Team
Audit, Risk and Improvement Committee will be consulted at their next meeting on
the 11 May 2023

LINK/S TO THE DELIVERY PROGRAM/OPERATIONAL PLAN (DPOP)

DRAFT
OPERATIONAL PLAN
2023/24

The 2023/24 financial year is the second of the 3-year Delivery Program that has been developed by the term of Councillors elected in December 2021.

This Operational Plan 2023/24 and the Delivery Program 2022-2025 should be read in conjunction with each other.

Acknowledgement of Traditional Custodians

Leeton Shire Council acknowledges and pays respect to the Wiradjuri people, the traditional custodians of the land encompassed by Leeton Shire.

Council also pays respect to the Elders, both past and present, of the Wiradjuri Nation and extend that respect to other Aboriginal and Torres Strait Islander people who live in Leeton Shire.

We recognise Aboriginal spiritual, social and cultural connections to these lands and waters and state our commitment to ensuring that Aboriginal rights, as enshrined in legislation, are upheld and not eroded.

1. Message from the Mayor and General Manager

On behalf of Leeton Shire Council, we are pleased to present the draft 2023/24 Annual Operational Plan and Budget for community consideration and feedback. This suite of draft documents also includes Fees & Charges; Council's Revenue Policy and an updated Long Term Financial Plan.

These annual plans give effect to the Delivery Program 2022 – 2025 that was adopted for this term of Council which, in turn, responds to the priorities identified by the community in Liveable Leeton 2035 (the Community Strategic Plan).

While Leeton's population is holding steady at around 11,480, since 2019 Leeton has shown a small decline in Gross Regional Product from \$0.62B in 2019 to \$0.59B in June 2021 (source: id.com). To achieve our Community Strategic Plan aspirations, Council is committed to continuing to grow the local economy by supporting existing businesses to expand and attracting new businesses to set up in Leeton. We also continue to focus on keeping Leeton Shire an attractive and progressive place to live, work, play and raise a family.

Council remains focussed on completing major projects from previous years, all of which have attracted significant grant funding, such as The Roxy Community Theatre, the Waterslide at the Leeton Aquatic Centre, Chelmsford Place Upgrade and Water Tower Projection Art, Wamoon Sewer, and Vance Estate Stage 3. Other carry forward projects include the public toilets in Gossamer Park and Wamoon.

It is Council's continued position not to commence any new non-essential capital works, however with housing suffering such critical shortages, we will remain alert to opportunities to develop the former Brobenah Road campground in Leeton and the lot owned by Council in Conapaira Street, Whitton. At this stage there is no budget identified in the draft documents as cost estimates have yet to be done. Council will, however, be submitting an expression of interest for government assistance to develop the available land later in May and, if successful, will be required to fund 25% of the build costs. If this occurs, there will be further public engagement on the matter prior to Council making any final decisions.

Council has benefitted from unexpected and unprecedented levels of roads funding of late, with \$800,000 of that scheduled for spending in 2023/24 for capital works. This assists with getting ahead with renewals and also helps the general fund bottom line (one-off). Our focus on our comprehensive sealed and unsealed road network, including resealing, rehabilitation, heavy patching and grading, will continue to be progressed during the year as Council continues to deliver on its community commitments.

As your local water utility, we have an extensive capital program this year, as we focus on improving operations and services. This includes refurbishment of the sediment tank and launders in Leeton, and automation and plant upgrades in Whitton and Murrami. For Sewer, the tertiary ponds at the Leeton Treatment Plant will be cleaned with banks repaired, the electrical system overhauled and the pump station at Leeton Masonic Lodge will be upgraded.

The full suite of proposed capital works can be found on page 12 of the Draft Budget.

While Council has healthy cash reserves of \$51M, achieving financial sustainability of Council's general fund remains a significant challenge and cannot be ignored over the next 12 months. IPART has issued a rate peg of 3.7%, which, once again, represents around half of the cost of inflation alone. To this end, Council plans to continue having conversations with community about how to increase revenue (including revisiting the option of a Special Rate Variation) and/or decrease costs (including reductions in service levels). Management will also continue to undertake service reviews to seek further delivery efficiencies where possible, being mindful that the organisation needs to be adequately resourced to deliver the range of services and statutory obligations in the adopted Delivery Program 2022 - 2025.

Council also plans to undertake a rates review in 2023/24 to ensure the rates income we raise is fairly collected across the three rating categories (farmland, residential and business). We will endeavour to do this in the first quarter of the new financial year.

A new development this coming year is preparing for the introduction of a FOGO (Food Organics, Garden Organics) kerbside collection service. Mandated by federal and state government for implementation by 2030, Council anticipates starting early (July 2024) for three reasons – it is the responsible thing to do environmentally, it saves space / cost compared to landfilling, and it aligns with tendering for a new waste collection service which is now due contractually. Council has opted to undertake a joint tender through RAMJO (Riverina and Murry Joint Organisation of Councils) with a view to benefitting from significant economies of scale. While the tender will likely only be let during 2023/24 to commence the year after, much preparation and education will start in the latter half of 2023.

We look forward to continuing to work with the community, elected Council and staff to achieve the best outcomes for Leeton Shire.

Getting feedback from the community and ratepayers of Leeton is crucial for Council's decision making. We look forward to you contacting us via

Our Organisational Structure

3. The Integrated Planning and Reporting Framework

The Integrated Planning and Reporting (IP&R) framework acknowledges most communities share similar aspirations: a safe, healthy and pleasant place to live, a sustainable environment, opportunities for social interaction, education and employment, and reliable infrastructure.

The difference lies in how each community responds to these needs. The framework has been developed with the understanding that council plans and policies should not exist in isolation – they are interconnected. It allows NSW councils to draw their various plans together, understand how they interact and get the maximum leverage from their efforts by planning holistically and sustainably for the future.

Key Planning Documents

The Community Strategic Plan

The Community Strategic Plan is the key document in the IPR framework.

It is developed by Council in conjunction with and on behalf of the community. It is not a Council Plan. It is a community plan. Its purpose is to identify the community's main priorities and aspirations for the future, and to outline outcomes (or objectives) and strategies to achieve them.

The Community Strategic Plan is organised under five focus areas that reflect the community's vision and values. It answers the questions:

- Where are we at today?
- Where do we want to be in 10+ years' time?
- How will we get there?
- Who may be able to help?
- How will we know that we're on track or that we have arrived?

These questions help identify the community's vision, aspirations and priorities and establish baseline targets, strategies and measures to aid performance monitoring and reporting.

The Community Strategic Plan guides all remaining strategies and plans. It is a 10+ year plan but it is reviewed every four years in line with the Local Government election cycle.

Liveable Leeton 2035 Community Strategic Plan

The Delivery Program

The Delivery Program is Council's statement of commitment to the community regarding what Council will do during its term of office to bring the community closer to achieving its long-term goals using the resources identified in the Resourcing Strategy. It turns the community's strategic goals into actions.

Delivery Programs usually cover 4 years to coincide with the length of the Council term. As a consequence of COVID-19, the local government elections were delayed and for that reason, the current Delivery Program covers the period 1 July 2022 to 30 June 2025.

The Delivery Program priorities and actions remain unchanged from that adopted to commence 1 July 2022.

Delivery Program 2022-2025

The Operational Plan

The annual Operational Plan supports the Delivery Program. It is Council's action plan for achieving the community priorities outlined in the Community Strategic Plan (CSP) and Delivery Program. It is reviewed annually and details the activities – projects, programs and actions – Council will undertake in the coming year to achieve the Delivery Program strategies. The Operational Plan also details how Council will fund these actions. This document is the draft Operational Plan for the financial year 2023/24 and is being exhibited for community feedback.

The Resourcing Strategy

The Resourcing Strategy outlines Council's capacity to manage assets and deliver services over the next ten years. It includes the:

- **Long Term Financial Plan**, which is a modelling tool to project the Shire's financial commitments over the next ten years as a means of helping to ensure financial sustainability. It is a dynamic tool which analyses financial trends over a ten year period on a range of assumptions and provides information to assess the impacts of current decisions and budgets on future financial sustainability.
- **Workforce Management Strategy**, which aims to ensure Council's workforce has the right skills at the right time and in the right quantities to ensure sustainable service delivery.
- **Asset Management Strategy**, which provides tools to assist Council's decision making on infrastructure funding needs, the impacts of budget decisions into the future and the resourcing requirements needed to meet agreed levels of service delivery. Leeton Shire Council has chosen to combine individual Asset Management Plans and its Asset Management Strategy in to one document: a Strategic Asset Management Plan.

The Resourcing Strategy documents are usually reviewed every four years in line with the Local Government election cycle, however on this occasion Council has updated its Long Term Financial Plan in order to continue discussions with the community about achieving financial sustainability.

Other Council Strategies and Plans

Council's other strategic plans – such as its Disability Inclusion Action Plan (DIAP), Local Strategic Planning Statement (LSPS), Ageing Well Strategy and Housing Strategy all link to the Delivery Program and are delivered within the confines of the Resourcing Strategy. They all have the overall goal of delivering the aspirations of the community as expressed in the Community Strategic Plan.

Reporting Documents

Progress Reports

Quarterly reports to Council's Senior Management Team track Council's performance against the targets identified in the Operational Plan.

Twice a year performance reports against the Delivery Program targets are provided to Council, with the third and final update incorporated in the Annual Report.

Annual Report

The Annual Report provides an overview of Council's performance and activities during the financial year and includes the audited financial statements for the year. The activities and actions reported are based on targets identified in the Delivery program and Operational Plan.

State of the Shire Report

The State of the Shire Report provides an overview of Council's and the communities progress toward the implementation of the Community Strategic Plan during the identified term. It is included as a subsection of the Annual Report in the year of an ordinary Council election and is presented at the second meeting of the newly elected Council.

4. About the Operational Plan 2023/24

This Draft Operational Plan gives effect to the second year of Leeton Shire Council's Delivery Program 2022–2025 and should be read in conjunction with that document.

The Operational Plan details the projects, programs and actions to be undertaken in the 2023/24 financial year to achieve the Delivery Program commitments. The activities and actions are organised in accordance with the functional areas and colour coding used in the Delivery Program.

1. Community Services and Community Development
2. Museum, Arts and Cultural Services
3. Parks, Streetscapes and Sporting Facilities
4. Economic Development
5. Planning, Building and Public Health
6. Roads and Drainage
7. Water and Sewer Services
8. Environmental Sustainability and Emergency Services
9. Governance and Administration

Leeton Shire Council's Budget 2023/24 and Statement of Revenue Policy (including fees and charges) are also part of the Operational Plan and are published as separate documents.

1. COMMUNITY DEVELOPMENT AND COMMUNITY SERVICES

Lead Council Groups: Economic & Community Development; People & Culture; Corporate

		Metres of K&G installed or renewed	No target – as reported	
6.3.2	Provide car parking, bus shelters and other traffic facilities Capex - Traffic facilities \$21K (General Fund) - Rehabilitation of carparking \$15K (General Fund) - Disabled access at the Roxy Theatre \$197K (this budget is for the completion of the entire forecourt)	Number of works completed	No target – report as completed	Manager Roads and Drainage
6.4 Undertake active transport planning and provide a network of footpaths and cycleways				
6.4.1	Ensure a safe and maintained footpath and cycleway network Capex - Madonna Place \$35K - Renewal of minor sections across the locality \$45K	Percentage of the 2023/24 Maintenance Program implemented	90%	Manager Roads & Drainage
6.5 Optimise road safety				
6.5.1	Improve road safety by undertaking activities such as vegetation / weed management and road sign replacement	Number of hectares sprayed/slashed	No target – report as completed	Manager Roads & Drainage
		Number of customer requests received and actioned	No target – report as completed	
6.5.2	Implement programs and campaigns that foster and promote road safety	Number of road safety programs delivered	≥ 4	Road Safety Officer
		Crash data trends	Trend to decrease	

6. ROADS AND DRAINAGE

Lead Group: Operations

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
6.5.3	Promote road safety through design and appropriate regulation Capex - Traffic Committee Works - \$21K (General Fund)	Number of Leeton Local Traffic Committee meetings held	≥ 4	Road Safety Officer
		Number of endorsed actions arising from Leeton Local Traffic Committee meetings	No target – report by occurrence	Road Safety Officer
6.6 Undertake renewal and repair works on behalf of Transport for NSW on State and Regional Roads				
6.6.1	Construct and repair State roads (MR 80) under the Road Maintenance Council Contract (RMCC) for Transport for NSW	Annual number of ordered works entered into	≥ 2	Manager Roads & Drainage
		Total value of contracts	No target – report by occurrence	
6.6.2	Construct and repair MR 539 (Whitton to Darlington Point) under the Regional Roads Block Grant Capex - MR 539 \$90K (grant funding)	Number of works undertaken	No target – report when completed	Manager Roads & Drainage
6.7 Provide safe, efficient drainage systems to cope easily with normal rainfall events				
6.7.1	Manage stormwater through rectifying drainage issues and undertaking strategic drainage planning, collaborating with MI Ltd where relevant/appropriate Capex - Urban drainage \$100K (General Fund) Rural drainage \$100K (General Fund) - Pipework cleaning and inspection \$90K (SMSC Reserve)	Percentage of drainage capital works completed	100%	Manager Roads & Drainage
		Percentage of planned maintenance works completed	100%	
		Percentage of unplanned maintenance works completed	100%	
		Number of rural drainage culverts renewed	No target – report as renewed	

7. WATER AND WASTEWATER

Lead Group: Operations

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
7.1 Provide water services to urban residents of Leeton Shire				
7.1.1	Supply potable water across the Shire which includes maintaining reticulation services in accordance with legislative requirements in compliance with the Australian Drinking Water Guidelines Capex (Water Reserve Fund) Leeton Water Treatment Plant: - Sedimentation Tank and Launderers \$130K - Specific Chemical Storage Shed \$70K - Inlet to Open Cut Dam Upgrade and Cleaning \$100K - Reservoir Access Ladders Upgrade \$50K - Valve audit and repair \$30K Whitton Water Treatment Plant: - Automation and Plant Upgrade \$100K Murrami WTP: - Upgrade Automation and Plant \$100k Water Mains Works and Upgrades: - Whitton Gogeldrie St \$170K - Leeton \$150K - Telemetry \$50K	Number of capital works projects completed Volume of treated water losses Percentage compliance with drinking water standard Number of customers requests received and actioned	100% No target – report volume 100% Target is to have requests completed within two days	Manager Water & Wastewater
7.2 Provide services to residents of Leeton Shire				
7.2.1	Operate and maintain sewage treatment and effluent discharge plants and reticulation services at Leeton, Yanco and Whitton Capex (Sewer Reserve Fund) - Leeton STP Aerator #1 overhaul \$65K - Leeton STP tertiary ponds cleaning and bank repairs \$200K - Pump station upgrades \$200K - Sewer mains assessment \$75K - Manhole renewals \$100K - Telemetry \$50K - Sewer pump station #27 upgrade \$50K - Leeton STP electrical upgrade and compliance \$537K (Wastewater Reserve Fund)	Number of non-compliances in relation to effluent discharge Number of capital works projects completed Number of customers requests received and actioned	< 4 100% Target is to have requests completed within two days	Manager Water & Wastewater

7. WATER AND WASTEWATER

Lead Group: Operations

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
7.2.2	Install and commission Wamoon Sewerage Scheme	Percentage of sewer network construction	100%	Manager Water & Wastewater
		Percentage of houses connected by Dec 2023	90%	
		Number of houses connected	100% of 64 houses	
7.3 Provide tradewaste regulatory services				
7.3.1	Continue implementation of Council's Liquid Trade Waste program	Number of businesses inspected	≥ 30	Trade Waste & Technical Officer
		Percentage of all currently discharging businesses with approvals issued	≥ 90%	
		Number and value of trade waste penalties imposed	No target – report when occurs	
7.4 Ensure security of service and growth of the Shire through effective utilities planning				
7.4.1	Complete an Integrated Water Cycle Management (IWCM) Strategy that complies with new regulations and requirements	Percentage completion of IWCM by March 2024	100%	Manager Water & Wastewater

8. ENVIRONMENTAL SUSTAINABILITY AND EMERGENCY SERVICES

Lead Group: Operations

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
8.1 Deliver recycling and solid waste management services				
8.1.1	Operate Resource Recovery Facility (includes landfill) and Transfer Stations to maximise landfill life, minimise nuisance and achieve environmental compliance Capex (Waste Fund) - New landfill trench \$655K - Impounded vehicle compound - \$20K	Tonnes of waste entering Resource Recovery Facility	< 20,000	000
		Tonnes of waste disposed to landfill	<16,000	
		Tonnes of waste generated from kerbside collection (red bins)	< 3,000	
		Projected landfill life (in years)	≥ 80	
		New landfill cell completed	100%	
		Compliance with EPA licence for landfill operations	100%	
8.1.2	Undertake recycling in the community to divert waste from landfill	Percentage of waste diverted at the Resource Recovery Facility per waste category	≥ 25%	Waste and Recycling Coordinator
		Percentage of waste diverted at Transfer Stations per waste category	≥ 25%	
		Tonnes of recycling collected from kerbside collection (yellow bins)	> 400 T	
		Tonnes collected through Return and Earn scheme	No target – report actual volume	
8.1.3	Conduct educational activities to promote recycling in the community	Number of education activities undertaken	≥ 10	Waste and Recycling Coordinator
		Percentage of collected recycling that is contaminated	< 5 %	
8.1.4	Offer kerbside collection service, including recycling (under contract) and monitor and control contaminants	Number of mixed waste bins collected	4,810	Waste and Recycling Coordinator
		Number of recycling bins collected	4,259	
		Number of missed bins per collection	< 5	
		Percentage of missed bins resolved within 48 hours	100%	
		Kerbside contract tender let and implemented	100%	

8. ENVIRONMENTAL SUSTAINABILITY AND EMERGENCY SERVICES

Lead Group: Operations

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
8.1.5	Prepare to implement and deliver FOGO service to the community as mandated by the NSW Government	Complete audit of red bins	≥ 200	Waste and Recycling Coordinator
		Deliver FOGO bins, kitchen caddies and bin liners by 30 June 2024	4,810 households	
		Number of education programs with residents	≥ 12	
		Number of school visits	≥ 4	
		Number of media campaigns including social media, radio and print	≥ 12	
		Number of educational campaigns with businesses	>5	
8.1.6	Implement Council's Waste Management Strategy and full costing of Landfilling report	Complete action items for 2023/24	100%	Manager Environmental Sustainability
		Percentage of RAMJO Waste Group meetings attended	100%	
		Conduct a cost analysis on the implementation of public place recycling within Leeton CBD	100%	
8.2 Enhance Leeton Shire's climate resilience				
8.2.1	Implement Council's Energy Masterplan	Percentage of actions completed for 2023/24	100%	Manager Environmental Sustainability
		Total amount of renewable energy generated – number of kilowatt hours (kWh)	≥ 200,000 kWh	
		Energy savings as a percentage of total energy use	≥ 5%	
		Estimated reduction in carbon footprint	≥ 1%	
8.2.2	Promote water saving measures across Leeton Shire	Average household water use (kL/household)	< 250kL	Manager Water and Wastewater
		Number of educational activities	≥ 2	
8.3 Improve Leeton Shire's emergency preparedness				
8.3.1	Participate in Local Emergency Management Committee	Number of meetings held	≥ 3	Manager Environmental Sustainability
8.3.2	Have ready access to Leeton's Disaster Management Plan (DMP)	Coordinate an annual challenge test and update DMP if required	100%	Director Operations

8. ENVIRONMENTAL SUSTAINABILITY AND EMERGENCY SERVICES

Lead Group: Operations

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
8.3.3	Test and maintain Council's Business Continuity Plan (BCP) annually	Coordinate an annual challenge test and update BCP if required	100%	Manager WHS, QA and Risk
8.4 Deliver noxious weeds management				
8.4.1	Identify and manage high risk weeds in accordance with Council's Weed Action Plan	Number of public weeds education sessions	≥ 2	Regulatory Services Coordinator
		Percentage of annual Weeds Action Plan delivered	100%	
		Number of new noxious weed incursions reported	No target – report by occurrence	
8.5 Advocate for water security and local biodiversity				
8.5.1	Advocate for continued reliable access to irrigation supply for Leeton's farmers and agricultural industries and Leeton Shire as Local Water Utility	Engage with Murrumbidgee Irrigation Ltd	≥ 2	Director Operations
8.5.2	Encourage external agencies to maintain key natural assets including Fivebough Wetlands and Murrumbidgee River/National Park	Report number of activities to support biodiversity at Murrumbidgee River (National Park)	≥ 1	Manager Environmental Sustainability
		Report number of activities to support biodiversity at Fivebough Wetlands	≥ 1	

9. GOVERNANCE AND CORPORATE SERVICES

Lead Group: Corporate; Office of the General Manager

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
9.1 Provide enhanced customer service				
9.1.1	Implement an integrated Customer Request Management (CRM) System for use across the organisation	Percentage completion of CRM System installation	100%	Governance/ Customer Services Coordinator
		Percentage of relevant staff trained to use the CRM System	100%	
9.1.2	Offer first class customer services (acknowledgement within 24 hours phone; 3 days email; 10 days letter; plus close the loop once matter is addressed)	Percentage of customer requests (via CRM) responded to within customer service guarantee	>80%	Governance/ Customer Services Coordinator
		Number of (reasonable) complaints about poor customer service	0	
9.1.3	Implement the Customer Experience Strategy	Percentage of actions due 2023/24	100%	Governance/ Customer Services Coordinator
9.1.4	Maintain an interactive website solution that will enhance Council's digital customer service delivery	Number of visitors increasing	Trend upwards	Communications Coordinator
		Number of content audits completed	At least five sections per year	
9.2 Undertake authentic community engagement				
9.2.1	Run an active community engagement program	Number of media releases	≥ 30	Communications Coordinator
		Number of social media posts	≥ 200	
		Average engagement with social media posts	No target – report by occurrence	
		Number of public engagement sessions	≥ 5	
		Number of 'Have Your Say' surveys	≥ 5	
		Number of "Noticeboard" items in The Irrigator	≥ 25	
9.2.2	Develop photographic and video collateral to promote Leeton	Percentage searchable photo inventory completed	80%	Communications Coordinator
		Percentage promotional video completed	100%	
9.2.3	Undertake a bi-annual Community Survey for Council	Survey results	Improvement on previous years	IPR Coordinator

9. GOVERNANCE AND CORPORATE SERVICES

Lead Group: Corporate; Office of the General Manager

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
9.3 Provide respected and effective representation, leadership and advocacy				
9.3.1	Continue advocacy with Federal and Local MPs and government agencies on key issues for the region, including but not limited to water security, health services, housing, migration, job creation and policing	Number of advocacy activities undertaken	≥ 10	General Manager
9.3.2	Participate in State and national Local Government Associations (LGNSW, ALGA and Country Mayors, Local Government Professionals)	Number of submissions to LGNSW	≥ 2	General Manager
		Number of submissions to ALGA	≥ 2	
		Number of submissions to Country Mayors	≥ 1	
		Number of submissions to LGP	No target – report by occurrence	
9.3.3	Implement training and development programs for councillors in accordance with the Councillor induction and Professional Development Guidelines	Percentage of training and development program completed councillors	100%	Governance/ Customer Services Coordinator
9.3.4	Support and report on Council's Section 355, Advisory and Action Committees ensuring they are operating in accordance with Committee Terms of Reference	Number of committee meetings held	Minimum one each per annum	Governance/ Customer Services Coordinator
		Minutes to Council within two months	100%	
9.4 Nurture strong, strategic partnerships across the region, NSW and the Commonwealth				
9.4.1	Membership of Riverina and Murray Joint Organisation (RAMJO)	Number of initiatives progressed	≥ 5	General Manager
9.4.2	Membership of Murray Darling Association Region 9 (MDA)	Number of initiatives progressed	≥ 2	General Manager
9.4.3	Undertake strategic engagement with Murrumbidgee Irrigation Ltd (MI Ltd)	Number of initiatives progressed	≥ 1	General Manager

9. GOVERNANCE AND CORPORATE SERVICES

Lead Group: Corporate; Office of the General Manager

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
9.5 Foster a valued and committed workforce that is suitably rewarded and goes home safe each day				
9.5.1	Effectively manage and value Council's workforce	Staff turnover meets or is better than the NSW Local Government average of 10-14% (2020 figures)	< 14%	Executive Manager People & Culture
		Annual training plans developed and implemented	90%	
		Staff absenteeism expressed as the average number of days sick leave per FTE	< 5 days	
		Percentage of leave entitlements for the year taken	≥ 50%	
9.5.2	Implement Council's Work Health and Safety program	Number of major non-conformances	Nil - report by occurrence	Manager WHS, Quality Assurance & Risk
		Percentage of required remedial measures completed by target due date	90%	
		Number of regulatory authority notices issued (by Safe Work NSW, for example)	0	
		Lost time to injuries expressed as the average number of days per 100 employees	<80	
		Progress with Council's Health and Wellbeing Program	90% staff engaged	
9.5.3	Provide local apprenticeship, traineeship and work experience opportunities at Council	Number of apprenticeships provided	≥ 1	Executive Manager People & Culture
		Number of traineeships provided	≥ 2	
		Number of work experience students placed in Council	≥ 3	
9.6 Deploy reliable and efficient governance, audit, risk and improvement services				
9.6.1	Prepare and issue Council business papers and meeting minutes, and coordinate Council Committee reports back to Council	Percentage papers issued five days ahead of meeting	100%	Governance/ Customer Services Coordinator
		Number of Council Meetings per year	10	

9. GOVERNANCE AND CORPORATE SERVICES

Lead Group: Corporate; Office of the General Manager

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
9.6.2	Support procurement across the organisation in accordance with the Local Government Act and Council's Procurement Policy	Number of tenders conducted for spends over \$250,000	No target	Director Corporate
		Percentage of contracts register current	100%	
9.6.3	Operate a project management office to support asset managers with major projects	Number of projects monitored through Pulse	100%	TBC
		Reporting of major projects monthly to SMT	11	
		Reporting of major projects quarterly to council	4	
		Number of project/contract management improvements implemented	2+	
9.6.4	Maintain a Compliance Register to track Council's compliance with all legislative and governance requirements	Percentage compliance with relevant legislation, regulation and funding body requirements	100%	Governance/ Customer Services Coordinator
9.6.5	Continuously review and update Council policies and plans to appropriately support Council's operations	Percentage of policies that are current	90%	Governance/ Customer Services Coordinator
9.6.6	Maintain a current delegations and authorisations register	Percentage of new staff delegations issued within two weeks of commencement	100%	Governance/ Customer Services Coordinator
		Number of reviews of staff delegations and authorisations to ensure currency and legislative compliance	At least 1 per year	
9.6.7	Run an Audit, Risk and Improvement program in accordance with the Guidelines for Risk Management and Internal Audit for Local Government in NSW	Number of internal audits undertaken as specified by ARIC	3	Director Corporate
		Percentage of agreed improvement actions completed, if not reported elsewhere	100%	
		Number of ARIC meetings held	4	Director Corporate
9.6.8	Deliver Council's Enterprise Risk Management (ERM) program, fostering continual improvement	Percentage currency of Council's ERM system 6 monthly	100%	Manager WHS, Quality Assurance & Risk

9. GOVERNANCE AND CORPORATE SERVICES

Lead Group: Corporate; Office of the General Manager

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
9.7 Deploy reliable and efficient financial management and administration				
9.7.1	Implement the Long-Term Financial Plan – in consultation with ratepayers – to support Council's ongoing financial sustainability, including a Special Rate Variation (SRV) and/or reductions in service levels	Progress with SRV discussions	100% by 30 Nov 2023	Manager Finance
		Identification of service reductions/savings	50% by 30 June 2024	
		Dollar value of new revenue options identified	No target – report as identified	
9.7.2	Complete a rates review, in consultation with ratepayers	Percentage completion of rates review by 31 October 2023	100%	Director Corporate
9.7.3	Foster Council's financial sustainability through maximising investment returns	Value of investment earnings to all funds	≥ \$700,000	Manager Finance
9.7.4	Foster Council's financial sustainability through maximising investment returns, including water sales	Value of water sales earnings to general fund	≥ \$50,000	Director Corporate
		Value of water sales earnings to water fund	≥ \$50,000	
9.7.5	Practice sound financial management	Deliver a financial year end result on budget or better than budget	On budget	Manager Finance
		Deliver an unqualified audit (except for RFS assets, if relevant)	Clean audit	
9.7.6	Continue effective Asset Management Planning (AMP) and GIS Services, including the governance of the Asset Management Steering Committee	Percentage completion of revaluation and condition assessments	100%	Asset Management Coordinator
		Percentage of AMPs revised to include new data	80%	
		Number of Asset Management Steering Committee meetings held	>4	
		Percentage of Council's works as executed plans inputted into GIS	100%	
9.7.7	Maintain Council-owned buildings so they are safe and inclusive Capex (General Fund) - Replacement of Council Building Inverter \$20K - Disability access to Council Chambers and Admin \$8.5k - Bitumen emulsion tank replacement \$70k	Percentage completion of capital works program	100%	Building Services Coordinator
		Percentage completion of building maintenance program	100%	
		Number of unplanned maintenance activities completed	No target – report by occurrence	

9. GOVERNANCE AND CORPORATE SERVICES

Lead Group: Corporate; Office of the General Manager

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
9.7.8	Administer Council's plant and fleet by conducting effective light and heavy plant replacement programs Capex - Plant and fleet replacement \$1.4M	Percentage of light plant replacement program completed	100%	Manager Open Space and Recreation
		Percentage of heavy plant replacement program completed	100%	
9.7.9	Enhance and maintain an efficient Records Management System for Council in accordance with relevant legislation	Completion of archiving and destruction of historical records	No target – report by occurrence	Governance/Customer Services Coordinator
9.7.10	Make information available in accordance with <i>Government Information (Public Access) Act 2009</i> requirements	Number of informal GIPA applications received	No target – report by occurrence	Governance/Customer Services Coordinator
		Percentage of informal GIPA applications processed within 20 working days	100%	
		Number of formal GIPA applications received	No target	
		Percentage of formal GIPA applications processed in accordance with legislation	100%	
9.7.11	Collect, use and retain personal information in accordance with the Privacy and Personal Information Protection Act 1998	Percentage of personal information collected and used for lawful purposes	100%	Governance/Customer Services Coordinator
		Percentage of personal information retained and secured in accordance with legislation	100%	
9.7.12	Manage leases and licences for Council properties in line with Council's objectives	Percentage of leases that are current	100%	Property Coordinator and Native Title Manager
		Number and value of outstanding lease fees	\$0	
		Percentage of licences that are current	100%	
		Number and value of outstanding licence fees	\$0	
		Percentage of sports oval user agreements in place	100%	
		Leases and licences awaiting a Plan of Management by 30 June 2024	Zero	

9. GOVERNANCE AND CORPORATE SERVICES

Lead Group: Corporate; Office of the General Manager

OP Ref.	Operational Plan Activity	Performance Measures	Target	Responsible Officer
9.7.13	Prepare and implement Plans of Management (PoM) for Crown Lands properties, and user agreements for sports ovals on Crown Land	All PoMs for reserves completed	24 reserves covered	Property Coordinator and Native Title Manager
9.7.14	Undertake Native Title responsibilities	Number of occasions native title advice sought/provided	No target – report by occurrence	Property Coordinator and Native Title Manager
9.7.15	Support effective and efficient local government administration through Information and Communication Technology (ICT) Capex (General Fund) - IT Network infrastructure and Hardware Replacements \$80K - Corporate information systems \$112K	Number of operational improvements achieved	No target – report by activity only	Manager ICT
		Number of notifiable cyber-attacks identified	Zero	
9.8 Undertake service reviews and benchmarking				
9.8.1	Deliver performance improvements through a Service Review program for: • Roads • Open Space & Recreation	Percentage completion of review of open space and recreation services	100%	Director Operations
		Percentage completion of review of roads	100%	
9.8.2	Monitor and manage Council's performance against local government industry benchmarks in line with the Local Government Performance Measurement Framework	Report on LGNSW Fathom benchmarking results	No target – report as data available	Executive Manager People and Culture
9.9 Attract grant funding for capital works and operations				
9.9.1	Coordinate the application of grants to ensure applications are targeted to boost Council's revenue	Number of Grant Applications submitted	≥ 12	EA to GM and Mayor
		Value of funding received	≥ \$1,000,000	
9.9.2	Implement improvements in the management of grant contracts and acquittals	Percentage of grant applications acquitted on time and correctly	100%	EA to GM and Mayor

Other revenues	682	535	535	294	(241)	54.9%
6 Net Gains from Disposal of Assets	-	-	-	534	534	
Total Income	28,050	19,431	34,763	22,190	2,759	114.2%
Expenses from Continuing Operations						
7 Employee benefits and on-costs	9,197	8,842	8,842	8,767	(75)	99.1%
8 Materials and contracts	7,773	7,711	9,498	8,390	679	108.8%
9 Borrowing costs	106	189	114	616	427	325.8%
10 Depreciation and amortisation	5,726	5,783	5,783	6,198	415	107.2%
Other expenses	(17)	231	231	233	2	100.9%
11 Net losses from the disposal of assets	1,120	650	662	-	(650)	0.0%
Total Expenses	23,906	23,406	25,131	24,203	797	103.4%
Operating Result from Continuing Operations	4,144	(3,975)	9,633	(2,013)	1,962	50.6%
Net Operating Result for the Year before Grants and Contributions Provided for Capital Purposes	(590)	(4,485)	(3,177)	(2,516)	1,969	56.1%

*Notes - Compares 2022/23 original budget to 2023/24.

- 1 Rates and Annual Charges includes the Rate Peg of 3.7% as well as some offset adjustments for sub divisions, amalgamations internal and other charges.
 - 2 User Charges and Fees are generally static overall except for the LELC expansion (\$400K) and the Roxy under the Activated Service Model (\$430K). There are some minor offset adjustments in other areas.
 - 3 Interest has been reduced due to lower cash reserves.
 - 4 While historically Council has obtained competitive grants this cannot be relied upon so are not included.
 - 5 Based on 25% of the 2023/24 amount and 75% of the 2024/25 amount. The 2024/25 portion is indexed at 3.7% (per Rate Peg)(\$400K). While 75% of the 2024/25 FAGS is budgeted to be received it should be noted this may not happen. Also includes \$800k from the RLRRP grant received in 2022/23 for 2023/24 projects. Budgeted as all capital for 2023/24
 - 6 Council has not made gains on disposals historically, however in 2022/23 gains have been reasonable. Likely that gains will be made on Vance Estate sales and disposal of vehicles.
 - 7 Employee Benefits and Oncosts have been affected by the following:
 - a. 2.5% budgeted increase in award rates and 0.5% super guarantee increase (\$260K). Actual increase is not yet known. As the award has not been finalised this may need updating.
 - b. LELC Expansion increase for 6 months (\$240K)
 - c. Transfer of street cleaning and street bin collection costs to the DWM Fund decrease ~(\$76K)
 - d. Savings through organisational structure (\$424K)
 - e. The 2023/24 budget includes a reduction for forecast works capitalised. Depending on actual works capitalised the result will vary.
 - f. For the purposes of budgeting, it is assumed that all positions are filled and that the leave liability remains constant.
 - 8 Materials and Contracts affected mainly by Roxy under the Activated Service Model (\$760K) and minor offsets.
 - 9 Borrowing costs will increase due to increased planned loans for Vance, Roxy and LELC with a minor offset for the removal of the Gogeldrie Weir Caravan Park loan.
 - 10 Depreciation has been increased for new capital such as the Roxy (\$125K), fleet, roads and pool (\$290K). Anticipate Vance assets will be sold and Chelmsford Place will be capitalised later in 2023/24. Roads are long life with low depreciation.
 - 11 Roxy and Pool in 2022/23.
- Note Roxy Activated Service Model results in \$654K deficit for a full 12 months. This will be adjusted when the Roxy timeline is clearer.

*Notes - Compares 2022/23 Original Budget to 2023/24.

- 1 Based on calculations of serviced properties and rates for 2023/24. Generally a 10% increase.
- 2 Reduction in Tipping Fees based on a revised current year actual, which is below the 2022/23 budget.
- 3 Pay rates have been affected by the following:
 - a. 2.5% budgeted increase in award rates and 0.5% super guarantee increase (\$24K)
 - c. Transfer of street cleaning and street bin collection costs to the DWM Fund increase ~(\$76K).
- 4 Mainly transfer of street cleaning and street bin collection costs to the DWM Fund.
- 5 Depreciation has increased due to an additional Landfill cell.
- 6 This reflects the estimated cost of the Landfill Rehabilitation Provision.

Notes

- A General Fund: decrease of \$5.8M.
- B For all Funds: Net cash provided by Operating Activities is the Operating Deficit/Surplus excluding capital grants/contributions and adjusted for Depreciation (and Landfill Rehabilitation Provision for DWM).
- C General Fund: The net cash used by Investment Activities is \$6.8M being the payment for infrastructure (\$14.1M) partially funded by maturing cash/investments (\$2.5M), sale of Vance Estate (\$4.2M) and cash from disposal of assets (\$0.7M).
- D General Fund: The net cash used by Financing Activities is \$520K being the repayment of existing loans (\$5.1M - including using sale of Vance Estate proceeds of \$4.4M) and the taking out of new loans (\$5.6M - being the Vance Estate Loan).
- E Adjusted for RLRRP operating grant of \$1.6m, which will be in 2022/23 March QBR. However will be spent over 2 years on capital and operating.
- F Borrowings and Advances are now being budgeted to be split over the 2 years versus taken out in 2022/23 (as budgeted in December QBR).

LELC	6.60%	1/04/2033	530,954	79,182	44,867	34,315	486,087
Existing Loans			7,965,521	896,995	465,644	431,351	7,499,878
Vance Estate Development (Loan 1)	6.60%	1/09/2034	5,587,711	4,786,076	4,601,682	184,394	986,029
New Loans			5,587,711	4,786,076	4,601,682	184,394	986,029
Total Loans			13,553,232	5,683,071	5,067,325	615,746	8,485,907

Note - Vance Estate proceeds will be paid toward the loan above.

For budgeting purposes it is assumed the Vance loan will commence in September and be refinanced in 2024/25. Therefore full year not shown.

The 2023/24 budget forecasts loans to increase by \$5.3M to \$13.6M (2022/23: original budget \$7.5M). Differences from 2022/23 budget:-

- A. Repaid: Petersham roadworks
- B. Reduced: Leeton Ovals, Leeton Showground, Leeton Pool.
- C. Planned : LELC, Roxy, Vance
- D. Removed: Gogeldrie Weir (not being progressed without grant funding)

FINAL DRAFT

Notes

- 1 Estimated brought forward balance will be fully utilised
- 2 Estimated contributions less known expenses (includes Vance estimates).
- 3 It is expected that the 2022/23 replacement program may exhaust the restriction.
- 4 Vance sales are expected to be finalised with takings paid off the loan.
- 5 Increase in the Election reserve to help fund the 2024/25 election.

LEETON
SHIRE COUNCIL

FINAL DRAFT

**Revenue Policy
Including Fees and Charges**

2023/2024

Page 4 of 46

Revenue Policy

This document constitutes the Leeton Shire Council Revenue Policy and is prepared in accordance with Section 405 of the Local Government Act 1993.

Each year Council is required to determine fees and charges for services it provides. In the setting of the fees for its goods and services, the Council is endeavouring to adopt a "user-pays" principle, while being ever mindful of the capacity of the client to pay the fees being set out. Accordingly, the fees set by Council in some cases will not recover the full cost of providing the goods and services. The fees and charges are made up of fees provided under relevant Acts and fees determined by Council.

Section 608 (1) of the Local Government Act 1993 (Act), provides that " a Council may charge and recover an approved fee for any service it provides."

Section 608 (2) describes the services for which an approved fee may be charged. These include:

- Supplying a service, product or commodity.
- Giving information.
- Providing a service in connection with Council's regulatory functions.
- Allowing admission to any building or enclosure.

Effect of other Acts

Section 610 (1) If the amount of a fee for a service is determined under another Act:

- Council may not determine an amount that is inconsistent with the amount determined under the other Act, and
- Council may not charge a fee in addition to the amount determined under the other Act.

Section 610 (2) If the charging of a fee for a service is prohibited under another Act, a Council must not charge a fee for the service under this Act.

The Revenue Policy includes the following for the year 2023/2024:

- Fees and Charges
- Ordinary Rates - Rating Categories
- Rates and Charges Increases
- Sewerage Charges
- User Charges - Water
- Waste Management Charges
- Stormwater Management Charges
- Liquid Trade Waste Charges
- Private Works
- Statement of Borrowings
- National Competition Policy
- Subsidy Guidelines

While every effort has been made to cover all fees and charges applicable to 2023/2024, a need may arise to introduce a new fee or charge that is unforeseen at this time. Changes to the application of GST may occur if the current legislation changes during the year. Any changes to the application of the GST will be altered as soon as notification is received.

The Statutory fees and charges that have been included in this document are the last advertised charges that were available to Council at the time of producing this document and may change post adoption.

Fees and Charges

Establishment of a Fee or Charge

The key steps to identifying a fee or charge are:

- Identifying which activities, functions or programs to which a fee or charge will apply.
- Identifying the full cost of providing the service.
- Identifying and quantifying Community Service Obligations.
- Confirming and agreed pricing policy for the Council.
- Confirming the agreed fee or charge to be levied.
- Confirming if any subsidies on the fee or charge will apply.

The fees and charges included in this document will be charged to all of Council's clients that avail themselves of the Council's goods and services.

Codes have been used to distinguish between each policy (as shown below), and these appear beside the various fees contained in this document to be charged in the ensuing year.

A These items are priced at the figure stipulated by legislation.

At the time of adoption, fees classified as Type A, that is fees charged under relevant legislation were current. Subsequent changes to legislation may alter the price and the new price will be added to the Fees and Charges schedule commencing from the date authorised by the amended legislation

C These items are priced so as to return a total cost recovery for the activities provided.

D These items are priced to cover the cost of the item plus normal commercial mark-ups.

E These items are priced below the cost of providing this activity as Council considers that full cost recovery would deprive members of the community of the ability to participate/ enjoy these activities.

F As approved by NSW Water, Department of Primary Industries, and adopted as Council policy.

There is no "B" code used in the pricing policy.

The Statutory fees and charges that have been included in this document are the last advertised charges that were available to Council at the time of producing this document and may change on 1 July 2022. Where a discrepancy exists between legislated and listed Charges then the Legislated Charge will prevail.

Goods and Services Tax

Those goods and/or services that are subject to GST have been identified in the attached Schedule of Fees and Charges by the description of Taxable and have GST included in the price.

Commercial Sensitivity

Where a fee or charge can be subjected to commercial competition, the cost of such charges has been classified as "Price on Application" (POA) to ensure Council's competitive position. A quotation can be supplied that will list the various components of the fee or charge on request.

Interest Charges

Council is responsible for fixing, by formal resolution, the level of interest penalties to apply in respect of all overdue accounts.

In respect of rates and charges the maximum level of interest is determined each year and advised to Council by the Office of Local Government. Section 566 (3) states "*the rate of interest is set by Council but must not exceed the rate specified for the time being by the Minister by notice published in the Gazette.*" Council will apply the maximum amount of interest on the basis that it provides a penalty to those ratepayers who fail to meet their obligations in regard to rates outstanding. This is done bearing in mind that in relation to rate payments:

- There are several payment options available to ratepayers;
- It is a foreseeable expenditure;
- Ratepayers with hardship are able to apply to Council for consideration.

Council proposes to apply the maximum permissible rate of interest payable on outstanding rates and charges at a simple rate calculated daily.

The maximum rate announced by the Minister for Local Government for the 2023/2024 period is **6.0 per cent**. Council will adopt the rate confirmed by the Minister and this rate will be applied to overdue rates, water and sewer charges accounts.

The discretion to write off extra charges can be exercised if special circumstances can be demonstrated by the ratepayers involved. A request in writing will be required.

Interest will be calculated 4 days after the account is past due and calculated daily.

Proposed Rates and Rating Categories

The Independent Pricing and Regulatory Tribunal (IPART) has determined that Council's general income may be increased up to 1.8 per cent under section 506 of the Local Government Act 1993 for the rating year commencing 1 July 2022.

Rating Method

The Local Government Act 1993 provides Council with the following three alternative methods of levying rates:

- Solely ad valorem rating i.e. cents in the \$ on land value.
- Minimum rate plus ad valorem rate.
- A base amount of up to 50% of the total yield required to be raised from a category or sub-category of a rate and applied to all rateable parcels within that category or sub-category plus an ad valorem rate to raise the additional required.

Council currently uses the base rate plus ad valorem rate, a method that has been in operation for many years and has proved satisfactory.

Rates Statement

Rates are levied on the land value of the property as determined by the Valuer General and in accordance with the Local Government Act 1993.

Categorisation of Land

Council in accordance with Section 514 Local Government Act 1993 must declare each parcel of rateable land in its area to be within one of the following categories:

- Residential
- Business
- Farmland
- Mining

Categorised as Residential

(Section 516 Local Government Act 1993)

Land is to be categorised as **residential** if it is a parcel of land valued as one assessment and:

- its dominant use is for residential accommodation (otherwise than as a hotel, motel, guest house etc.); or
- in the case of vacant land, it is zoned or designated for residential purposes; or
- it is rural residential land

Categorised as Business

(Section 518 Local Government Act 1993)

Land is to be categorised as **business** if it cannot be categorised as farmland, residential or mining.

Categorised as Farmland

(Section 515 Local Government Act 1993)

Land is to be categorised as **farmland** if it is a parcel of rateable land valued as one assessment and its dominant use is for farming which:

- has significant and substantial commercial purpose or character, and
- is engaged in for the purpose of profit on a continuous or repetitive basis (whether or not a profit is actually made).

Land is not to be categorised as farmland if it is rural residential land.

The regulations may prescribe circumstances in which land is or is not to be categorised as farmland.

Categorised as Mining

(Section 517 Local Government Act 1993)

Land is to be categorised as **mining** if it is a parcel of rateable land valued as one assessment and its dominant use is for a coal mine or metalliferous mine.

The regulations may prescribe circumstances in which land is or is not to be categorised as mining.

Rate Structure for 2023/2024

The table below shows the adopted rates for 2023/2024 using the base rate with ad valorem calculation. The rate increase that has been adopted is 3.7% in line with the Rate Peg.

Category	Ad Valorem Cents per \$	Base Amount \$	2022/2023 Notional Yield \$
RESIDENTIAL	0.00462483	502	4,219,678
BUSINESS	0.00666703	349	689,755
FARMLAND	0.00429114	771	3,205,332

Sewerage Charges for 2023/2024

The proposed increase in the total yield for sewerage charges in 2023/2024 is a notional 7.5 percent.

Residential

An annual charge of \$ 720.00 per assessment is to apply to all residential assessments within the Leeton, Yanco and Whitton Sewerage Local Rate Area. This is expected to yield \$ 2,261,520.

Non-Residential

The usage charge is proposed to be \$ 1.25 cents per kilolitre with a minimum charge equivalent to the Residential charge of \$ 720.00 (\$240/trimester).

The non-residential sewer access charge is calculated by reference to the estimated quantity of waste water returned to the sewerage network. This is calculated, on a per billing period basis, by using the meter size as shown below multiplied by the Sewerage Discharge Factor.

Meter Size	2023/2024 (\$)	2022/2023 (\$)
20mm	153.00	142.00
25mm	240.00	223.00
32mm	392.00	365.00
40mm	613.00	571.00
50mm	957.00	891.00
80mm	2,450.00	2,283.00
100mm	3,827.00	3,566.00
150mm	8,611.00	8,023.00
200mm	15,308.00	14,263.00

The non-residential sewerage access and user charge is estimated to raise \$ 697,568.

Accounts for the combined sewerage access and usage charge will be issued in September, January and May of each calendar year coinciding with the water accounts being issued.

User Charges for 2023/2024

Water Charges

Council has adopted the Best Practice Guidelines (BPG) for water pricing in accordance with NSW Department of Primary Industry - Water requirements and as such incorporates access charges based on the meter size formula as specified in three BPG. The consumption charges are based on volume used as measured by the water meters installed at each property. These meters are read quarterly in September, January and May of each year.

The meter sizes used to calculate the access charges are listed below.

Meter Size	2023/2024 (\$)	2022/2023 (\$)
20mm	319.00	295.00
25mm	319.00	295.00
32mm	811.00	750.00
40mm	1,265.00	1,170.00
50mm	2,034.00	1,881.00
65mm	3,439.00	3,180.00
80mm	5,210.00	4,817.00
100mm	7,787.00	7,200.00
150mm	13,673.00	12,643.00

In 2023/2024 the residential water access charge is expected to yield \$1248953 while the non-residential water access charge is expected to yield \$ 403880.

Consumption Charges

Residential and Farmland

Council is continuing to use a 3 tier user charge structure for residential and farmland properties excluding strata units. Strata units generally only have a master meter so the tier structure is not a suitable or equitable method of charging. On these properties Council has elected to use a flat rate for any consumption charges. Those strata units that do have individual meters will be charged using the 3 tier method.

Usage per kilolitre	2023/2024	2022/2023
For the first 300kl	1.25	1.25
From 301kl to 600kl	1.92	1.75
Thereafter	3.41	3.10
Strata Properties master meter	2.11	1.92

The BPG requires at least 75% of overall residential water revenue be raised from user charges. As this was not historically how Council charged its fees they are in the process of making changes that will be phased in over a period of time so as to not adversely affect users. It is important that the BPG is achieved as it will assist Council in satisfying the criteria for future grant funding of major water and sewer projects.

A consumer using the average annual residential consumption of around 400kl will pay an additional \$41 total water charge in 2023/2024 over what would have been paid in 2022/2023. This is an increase of about 4.9% in the total charge (including a consumption charge increase of 3.1%).

The increases in the charges are required to ensure that Council's water fund achieves the following objectives:

- A surplus operating position is achieved so that the fund is financially sustainable on a long term basis.
- Council is required to comply with the Best Practice Pricing Guidelines which stipulates that the charges must be raised on a 75% usage and 25% access charge.
- The continued viability of the water supply fund is essential so that a safe and reliable network is maintained.
- Any additional revenue will also be used to renew ageing infrastructure and fund ongoing asset renewal in accordance with Council's adopted Asset Management Plans. Water charges are restricted under the Local Government Act and can only be used for water supply purposes.

Industrial and Commercial

The consumption charges for 2022/2023 are proposed to be set at two levels as shown below.

Usage per kilolitre	2023/2024	2022/2023
For the first 300kl	1.25	1.18
Thereafter	1.92	1.70

Waste Management Charges

Under the Local Government Act Council must make and levy an annual charge for the provision of waste management services for each parcel of rateable land. Council has reviewed the waste management operations in order to determine the appropriate current and future costs to be included as part of the reasonable costs determination. The Act does not allow for the subsidisation of domestic waste management from general rates revenue, nor does it allow for the revenue raised from the charge to be spent in any area other than waste management.

Council charges an annual Landfill Management Fee to all properties and for those properties that have a waste collection service available an annual Kerbside Collection Charge also applies.

Additional waste collection services can be provided. The costs of this service are listed in the table below.

Council will apply a Commercial Waste Management charge to all commercial properties. These fees are charged on the basis of each property serviced multiplied by the number of services provided.

Waste Management Charges	2023/2024	Estimated Yield	Qty
Landfill Management Charge Each unoccupied but servicable parcel of rateable land and each parcel of land not serviced (GST inc*)	72.00	429,552	5,966
Kerbside Collection Charge Each parcel of rateable land for which the service is available, per service. 240 litre receptacle supplied by Council.	258.00	1,090,566	4,227
Non domestic service per service provided. 240 litre receptacle supplied by Council.	258.00	165,120	640
Each parcel of non-rateable land for which the service is available, per service. 240 litre receptacle supplied by Council.	258.00		
For each additional weekly waste collection service	10.00		

Recycling Service

Council provides a fortnightly recycling service to residential properties and gives the option where available to non-residential and non-rateable properties. This service allows residents to recycle more resulting in a reduction in waste having to be disposed to landfill. This service allows maximum recovery of resources, helps reduce greenhouse gas emissions and prolongs the life of the landfill.

Additional recycling collection services can be provided. The cost of this service are listed in the table below.

Recycling Service	2023/2024	Estimated Yield	Qty
Kerbside collection Charge Each parcel of rateable land for which the service is available and occupied, per service. 240 litre receptacle supplied by Council.	165.00		
Non-residential property for which the service is available and requested, per service. 240 litre receptacle supplied by Council.	165.00		
Non-rateable property for which the service is available and requested, per service. 240 litre receptacle supplied by Council.	165.00		
		719,400	4,360
For each additional fortnightly recycling collection service	15.00		

Stormwater Management Service Charge

(Section 496A Local Government Act 1993)

The Act provides Council with the ability to make and levy a charge for the provision of stormwater management services for each parcel of rateable land for which the service is available. This charge will be expended on identified projects to alleviate drainage and stormwater problems in urban areas.

Income raised from this charge will also be spent to fund new projects, which when approved by Council will be incorporated into an overall Stormwater Management Plan for urban areas within Leeton Shire.

Projects included in the Stormwater Management Plan will be additional to the existing recurrent level of expenditure allocated for drainage maintenance and infrastructure works.

Property Type	2023/2024	Yield	2022/2023
Residential rated properties	25.00		25.00
Business rated properties	25.00		25.00
Strata Properties per unit	12.50		12.50
Quantity	3,800	95,000	

Onsite Sewerage Management System (OSSM)

(Section 568 Approvals Local Government Act 1993)

The Act provides Council with the ability to make and levy an administration service fee for the provision of OSSM Licence to Operate for all properties where an OSSM is installed. This fee has been set at \$ 15.00 per OSSM and is expected to raise approx. \$25,000.

Liquid Trade Waste Charges

Fees and charges for Liquid Trade Waste are broken up into two components as shown below:

- An annual fee for management of liquid waste.
- A usage charge based on the volume discharged into the sewer measured by water consumption multiplied by a Trade Waste Discharge Factor multiplied by a treatment cost.

Type	2023/2024	2022/2023
Annual Fee for management of liquid trade waste billed triannually within the three (3) water billing periods.	219.00	204.00
Category 1 - Dischargers where appropriate site pre-treatment is in place, per Kilolitre	0.00	0.00
Category 1 - Dischargers without appropriate site pre-treatment is in place, per Kilolitre	2.45	2.28
Category 2 - Dischargers where appropriate site pre-treatment is in place, per Kilolitre	2.45	2.28
Category 2 - Dischargers without appropriate site pre-treatment is in place, per Kilolitre	21.70	20.19

Private Works

Council may by agreement with the owner or occupier of any private land carry out on the land any kind of work that may lawfully be carried out on that land. These works are called Private Works and Council has not set a standard charge to carry out these works, so each one will be priced individually.

When calculating the cost of carrying out these works Council will cover all direct costs and overheads and where appropriate add a profit element. The profit element of pricing will vary depending on the relevant organisations, taking into account considerations of service to the community and general market competitiveness.

Private works may include but not limited to:

- Kerb and gutter construction,
- Road and associated works contribution,
- Drainage contribution,
- Water supply related works, and
- Sewerage and drainage connections.

Private works charges will therefore be calculated on the basis of the cost to Council, normal market values plus a margin of 20 percent to cover administration and overhead costs. The total calculated cost will be subject to GST.

It is strongly recommended that a quotation/estimate be obtained from Council prior to requesting or ordering private works undertakings.

All private works must be authorised by the client and the client must agree to pay the estimated cost prior to the work commencing.

The Plant Hire Rates for each item of Council plant are available by contacting Council. All plant must be operated by Council staff and this cost will be supplied on request.

It should be noted that Council's capacity to perform private works is very limited.

Statement of Borrowings

Council anticipates borrowing the following amounts in 2023/2024:

Brought forward from prior year:-

- Vance Estate Expansion 5,587,711

2023/24 Total: 5,587,711

Council's existing borrowings as at 1 July 2023 are:

- Petersham Road Works 67,633
- Ovals 235,783
- Showground Grandstand 145,166
- Leeton Pool Refurbishment 1,985,986
- Roxy Theatre Redevelopment 5,000,000
- LELC Expansion 530,954

Total: 7,965,521 Budgeted Total: 13,553,232

National Competition Policy

The Local Government Act 1993 requires Council to include in its Operational Plan a statement of principal activities of a business or commercial nature to be undertaken by Council.

In assessing Council's activities it has been determined that Council's Water Supply and Sewerage Supply operations have over a \$2.0m turnover as so are classified as a Category 1 business which means that the business is to adopt a corporate and commercial approach to how it operates. This includes the removal or disclosure of subsidies and appropriate pricing policies.

As at 30 June, 2022 the Statement of Financial Position of both Category 1 businesses reveal the following net assets resulting from operations.

Business	Retained Earnings	Revaluation Reserves
	\$'000	\$'000
Water Supply	25,623	34,228
Sewerage Supply	21,029	25,867

Council has established a complaints handling mechanism to deal with any competitive neutrality complaints against the Council for the manner in which it has conducted its operations. Council has not received any complaints in relation to competitive neutrality principles as at the date of preparing this policy.

Subsidies Granted by Council

Subsidy %	Organisation Type	Budgeted Subsidy Amount
50%	Sporting Group Subsidies	\$8,288
	Crown Land Subsidies - Leases	\$71,400
Property Owners in the below Groups		
80%	Group 1 - Religious Organisations	\$16,513
90%	Group 2 - Charitable Organisations	\$8,855
90%	Group 3 - Not-for-Profit	\$1,650
Total Subsidies Allowed for 2022-2023		\$106,706

Subsidy Guidelines

Community facilities are Council owned buildings/facilities and reserves which are used by community based not-for-profit groups to provide recreational, cultural, sporting and community service activities.

Community facilities are often, but not always, situated on Council Land, public open space or Crown Land for which Council has long term management and legislative responsibility.

Those fees and charges that include reduced fees for Community Groups and Not-For-Profits will not fall under this Subsidy Guideline.

Council may assist community users by providing a subsidy for rent or against Council's adopted fees and charges. Council offers a maximum subsidy of up to 50% for sporting groups and 90% for front line services.

Council seeks to ensure that the cost to Council of the provision of community facilities is absolutely open and transparent. Council has a fiduciary responsibility to all ratepayers and must clearly identify the actual cost of all rental subsidies.

A community group or user may also request a waiver on Council's adopted fees and charges. Fee waivers must be approved by Council.

Rental subsidies will be as specified in the legal agreement. The use of Community property other than as specified in Council's adopted fees and charges must be documented by a lease or licence using a contestable process to satisfy legislative requirements. Users will not be allowed to occupy Community property without legal tenure.

The level of the rental subsidy will be determined against the market rental value shown in the legal agreement.

Community groups and organisations using Council's properties will be required to report annually on performance indicators in relation to the facility and the group's activities. Council will provide guidance and advice on the collection of this information. Council insists on the highest level of transparency in the management of its properties.

In all cases the level of subsidy will be reviewed on an annual basis. The review does not imply a change in the level of subsidy but is required so that Council is fully informed on the total level of subsidies being applied to fulfil the requirements of State Government legislative requirements in relation to the provision of facilities on Operational land, Community land, Crown public recreation reserves and open space.

The following information may be sought from Community groups and Organisations claiming Council subsidies:

- Financial Statements, Annual Reports and Articles of Incorporation;
- Proof of charitable status;
- Residential status of participants and
- Other information to clarify the nature of the group or activity.

Subsidy Category Criteria

The category criteria are documented in the table below.

CATEGORY	SUBSIDY	CRITERIA	SUBSIDY % FOR CRITERIA
<p>One: Community Service Frontline</p> <p>A service that meets Community needs for example, programs that meet the development needs of children and young people with disabilities. Usually not-for-profit.</p>	Up to 90% subsidy (exclusive of GST)	<p>Social and Community benefit of activity including clear alignment with community priority identified by Council.</p> <p>Organisation is voluntary with no regular source of income</p> <p>Extent of benefit to Leeton Shire residents (more than 60% of participants)</p>	<p>40%</p> <p>25%</p> <p>25%</p>
<p>Two: Community Partnership</p> <p>A service that provides services in partnership with the Community but does not address frontline Community issues. For example to improve the health of residents through participation in community sport.</p>	Up to 80% subsidy (exclusive of GST)	<p>Social and Community benefit of activity including clear alignment with community priority identified by Council.</p> <p>Organisation is voluntary with no regular source of income</p> <p>Extent of benefit to Leeton Shire residents (more than 60% of participants)</p>	<p>40%</p> <p>30%</p> <p>10%</p>
<p>Three: Partially Assisted</p> <p>A service that demonstrates partial funding and support but requires some rental subsidy from Council to provide the service.</p>	50% to 80% subsidy (exclusive of GST)	<p>Social and Community benefit of activity including clear alignment with community priority identified by Council.</p> <p>Organisation is voluntary with no regular source of income</p> <p>Extent of benefit to Leeton Shire residents (more than 60% of participants)</p>	<p>40%</p> <p>20%</p> <p>20%</p>
<p>Four: Self Funded Service</p>	Assessed on a case by case basis. Generally not subsidised.		
<p>Five: Sporting Groups</p> <p>A service that provides services in partnership with the Community to improve the health of residents through participation in community sport.</p>	50%	<p>Social and Community benefit of activity including clear alignment with community priority identified by Council.</p> <p>Organisation is voluntary</p> <p>Extent of benefit to Leeton Shire residents (more than 60% of participants)</p>	50%

FINAL DRAFT

Executive Summary

Background

Since its 'Fit For the Future' Improvement Plan in 2015, Leeton Shire Council (Council) has highlighted the financial sustainability challenges its General Fund faces. *(The General Fund does not include Domestic Waste, Water or Sewer – which are accounted for as separate businesses of Council).*

The General Fund's financial sustainability challenges are firmly entrenched, with operating deficits already reported in the 2020/21 and 2021/22 Annual Financial Statements. This situation will not change in the medium or long term without active intervention.

The following has been forecast:-

- An operating deficit of \$4.0M for 2022/23 – as per the recent Quarterly Budget Reviews
- An operating deficit of \$2.5M for 2023/24 – as per the upcoming Annual Budget. This is positively distorted from being a \$3.3M deficit because of a one-off Regional Local Roads Repair Program operating grant of \$800K received unexpectedly in April 2023.
- Ongoing operating deficits of \$ 4.1 million in 2023/24 increasing to \$5.1 million in 2032/33 - as part of independent modelling and analysis conducted by Morrison Low Consultants in 2022 in consultation with Council's senior management team.
- An average operating deficit of \$4.3M over the ten years to 2032/33 - as part of senior management's most recent updated LTFP forecast (this document) which was prepared with input from Morrison Low.

In 2018 and 2022, Council sought expert advice from *Morrison Low on its financial position and on both occasions a SRV was recommended. In 2022 Council endorsed the recommendation that this deficit be addressed by way of a SRV in order to maintain the General Fund's financial sustainability over the longer term. In response to this recommendation, Council engaged with the community in October and November 2022, and recommended various Special Rate Variation (SRV) scenarios to achieve financial sustainability.

Following the community engagement, Councillors resolved in November 2022 to not apply for a SRV. As no alternative was proposed, by default Council has continued with the Base Case. This decision is also reflected in the Base Case in this draft LTFP (April 2023).

Council has continued to hold informal workshops about how to achieve financial sustainability which management now formally presents as alternate scenarios in this LTFP for Council's endorsement as part of the draft LTFP April 2023.

These alternative scenarios offer SRV options, reductions in levels of spending, and reductions in levels of asset renewal to achieve financial sustainability. They also show the scale of intervention required to achieve financial sustainability over the medium term.

**Morrison Low are well-established advisors to the local government sector in NSW and Australia/NZ, with access to a multidisciplinary team of experts covering finance, asset management and governance.*

Executive Summary

Council's financial sustainability obligations

The Local Government Act requires councils to apply sound financial management principles (section8(b)) and sets out that Council spending should be responsible and sustainable, aligning general revenue and expenses. As outlined to the community in October 2022, this includes:

- Achieving a fully funded operating position
- Maintaining sufficient cash reserves
- Having an appropriately funded capital program
- Maintaining its asset base "fit for purpose"
- Having adequate resources to meet ongoing compliance obligations.

The above is regarded as "not negotiable" and failure to meet these obligations can lead to NSW Office of Local Government (OLG) intervention.

How serious is Council's financial situation?

Management considers the situation serious and needing attention now. While every attempt will be made to find savings, the financial challenges faced is systemic to the sector where rates capping has consistently failed to match inflation and the true cost of delivering services. Added to this is cost shifting from other tiers of government, growing community service expectations and a range of statutory fees and charges that have not increased in years to cover the cost of service.

As outlined, this draft LTFP forecasts an average operating deficit of \$4.3M per annum over the ten years to 2032/33. As a result of these ongoing deficits, and the requirement to fund of capital works that do not have grant or loan funding, the LTFP forecasts that Council will run out of cash by June 2028.

Furthermore Morrison Low advised in 2022 that Council was underspending on its asset renewals by \$1.6M per year for roads and buildings and needed to address this to ensure assets would remain in satisfactory condition.

What options are available to Council?

To manage its financial sustainability Council has the following options:-

- Increase revenues via
 - SRV – requires specific community engagement and regulatory approval as well as Council approval.
 - User charges – requires community engagement and Council approval. Generally determined as part of the Annual Budget.
 - Commercial income – identify new business opportunities that generate profits for Council.
- Reduce expenses via
 - Service cuts – requires community engagement and Council approval. Generally determined as part of the Delivery Program and Annual Operating Plan.
 - Operational efficiencies – ongoing responsibility of management. In some cases will require Council approval, eg. outsourcing.

Council has flexibility around the timing and approval of the above, with the exception of the SRV which is outside of Council's Integrated Planning and Reporting Framework (IP & R) and is subject to timing and other constraints set by IPART.

Executive Summary

What steps should Council take?

In order to meet its obligations under the Local Government Act Council should implement immediate actions to address its operating deficit and ensure that its assets are fit for purpose. Unlike many other Councils, Leeton Shire has never previously applied for a SRV.

Management intends to recommend the following actions for and in the lead up to the 2023/24 financial year:-

- That in April 2023 Council endorses for public consultation this draft LTFP as well as the Annual Operational Plan, both of which signal the need for another round of SRV discussions with the ratepayers of Leeton Shire.
- That in June 2023 Council considers submissions from the community and adopts a final LTFP that acknowledges, in principle, the need for a Special Rate Variation and that includes a range of scenarios (existing and/or new) that could be put forward for later community engagement in advance of November 2023.
- That around June and July 2023, Council updates its SAMP (Strategic Asset Management Plan) to confirm costs for maintenance, renewals, new works (where needed) and depreciation.
- That during July and August 2023, Council completes a rates review, seeking to ensure the current proportioning of rates is fair between farmland, residential and business ratepayers.
- That during September to mid-November Council undertakes consultation with the community / ratepayers of Leeton about the need for a SRV, offering a number of different scenarios and including options for reductions in services and service levels to help achieve savings.
- That in December 2023 Council writes to IPART to indicate its plans to apply for a SRV.
- That in February 2024 Council submits an application to IPART and that Council commences plans for reducing operating costs with effect from 1 July 2024, if relevant.

IMPORTANT NOTE:

Council can determine to note, endorse or change these printed intentions from Management when it considers endorsing this draft LTFP at the April 2023 Council meeting.

Whatever decision Council makes, in endorsing this draft LTFP or the final LTFP in June, all readers need to understand that Council is NOT immediately committing to applying for a SRV but rather signalling to the community the need to talk about one again.

Making a final decision to pursue a SRV is a separate process to endorsing or adopting a LTFP. Council will determine later in the year whether to proceed with consulting on an SRV or not. If Council does proceed, that will be subject to extensive, specific public engagement.

Council's Objectives: Sound Financial Management

The **NSW Local Government Act** section 8B establishes principles of sound financial management as follows:

- a) Council **spending** should be responsible and sustainable, aligning general revenue and expenses
- b) Councils should invest in responsible and sustainable **infrastructure** for the benefit of the local community
- c) Councils should have effective **financial and asset management**, including sound policies and processes for the following:
 - (i) performance management and reporting,
 - (ii) asset maintenance and enhancement,
 - (iii) funding decisions,
 - (iv) risk management practices.
- d) Councils should have regard to achieving **intergenerational equity**, including ensuring the following:
 - (i) policy decisions are made after considering their financial effects on future generations,
 - (ii) the current generation funds the cost of its services (which also means the current generation shouldn't bear costs for benefit of future generations)

Council has recognised its improvement journey begins at point (c).

This LTFP and the Strategic Asset Management Plan (SAMP) that sits alongside it are evidence of Council's commitment to adhering to these principles and signals that progress has commenced.

Council also recognises *the financial challenges it faces haven't arisen overnight... and they won't be solved overnight*. A longer-term strategy is needed if Council is to realise longer-term benefits and be sustainable. That is why the LTFP and SAMP have a 10+ year horizon.

Council has identified four financial sustainability objectives (below) that will serve as 'guard rails' to help keep Council 'on track'. These are also reflected in Council's Delivery Program, so progress will be reported against these in Council's Annual Reports.

Leeton Shire Council Financial Sustainability Objectives (April 2023)

	Objective	Details
1	Responsible and sustainable spending	Council will work toward aligning general revenues and expenses by: <ul style="list-style-type: none"> • continuing to explore options to be more sustainable (objective 4 below) • documenting these options within Council's Long Term Financial Plan (LTFP).
2	Responsible and sustainable infrastructure investment	Council will: <ul style="list-style-type: none"> • allocate funds to infrastructure and other assets in accordance with recommendations in the Strategic Asset Management Plan (SAMP) with a focus on managing risk and renewing existing assets. • identify priorities for new and upgraded assets, and opportunities to dispose of underutilised assets, in the SAMP. • not prioritise funds for further new or upgraded assets over essential renewals except where new assets address unacceptable risks • only build additional new or upgraded assets if the LTFP shows this is affordable • pursue grants wherever possible to minimise Council's investment, but not vary its priorities significantly simply to obtain a grant • pursue continuous improvement in the management of its assets and infrastructure, guided by actions in the SAMP.
3	Adequate cash reserves and use of borrowings	Council will aim to maintain an appropriate level of cash reserves by: <ul style="list-style-type: none"> • responsible and sustainable spending (objective 1), • responsible and sustainable infrastructure investment (objective 2) • using borrowings (debt) to overcome shortfalls in available funds to undertake necessary works when they are required.
4	Explore options to improve financial sustainability	Continue to explore options, internally and externally, to improve financial sustainability in the General Fund by achieving a balanced budget . <ul style="list-style-type: none"> • Internally, continue to identify opportunities to improve efficiency and productivity. • Externally, engage the community as required about their service priorities and willingness to pay

Background - How Council's Finances Work

Under the NSW Local Government Act, councils must account for their water supply and sewerage functions as separate businesses, known as the Water Fund and Sewer Funds, respectively. Further Domestic Waste Management (DWM), while not accounted for as separate, must be treated as such. The remainder of Council's functions fall under the scope of Council's General Fund.

Description of Revenue sources

Rates and Annual Charges

General Fund : mainly ordinary or land rates.

Water Fund : mainly access charges based on the number and size of connections.

Sewer Fund : mainly access charges based on the number and size of connections.

DWM : mainly landfill management and kerbside collection charges

User fees and charges

General Fund: mainly childcare fees, the road maintenance contract with Transport for NSW, statutory fees and charges and income from sporting and other user groups. Otherwise it includes income sporting groups, cemeteries, pools and the stadium.

Water Fund : mainly consumption charges based on the amount of water consumed.

Sewer Fun: mainly trade waste charges.

DWM : mainly tipping fees.

Grants and contributions provided for capital purposes

All Funds and DWM: Council relies on capital grants to help fund asset-related capital expenditure. Outlays can vary from year to year. If capital grants anticipated within the LTFP are not secured, then the projects they relate to may not proceed, unless Council resolves to fund those projects by operating surpluses, cash reserves or borrowings.

Council also levies \$64 as well as \$7.12 developer contributions.

Grants and contributions provided for operating purposes

General Fund: The major ongoing grants and contributions for operational purposes include:-

- Financial Assistance Grants – forecast to continue
- Roads to Recovery – forecast to continue
- Regional Roads – forecast to continue
- Community services operating grants and contributions for service delivery. Including for childcare, library, weeds, developer contributions. If grants anticipated within the LTFP are not secured, then the services they relate to may not proceed, unless Council resolves to fund those services by operating surpluses, cash reserves or borrowings.

Interest and Investment Revenue

All Funds and DWM: derived from interest on cash and investments. Dependent on the level of cash reserves and interest rates.

Net gains from disposal of assets

All Funds and DWM: generally for the sale of plant and equipment as well as development of industrial estates and other land owned by Council from time to time.

Rental Income

All Funds and DWM: generally for the rental or licensing of Council or Crown Land properties within the General Fund.

Other Income

General and Water Funds: mainly sale of Investment and Town Water, respectively.

Description of Expense types

Employee benefits and oncosts

All Funds and DWM : includes wages/salaries, leave entitlements, superannuation and related expenses such as worker’s compensation insurance, personal protective equipment, and training.

Materials and services

All Funds and DWM : includes raw materials and consumables such as bitumen and gravel for road maintenance, materials for repairs and maintenance of facilities, fuel, electricity, telecommunications, contractors (e.g. waste collection, some road and facilities maintenance, cleaning), consultants, auditors and legal expenses, advertising, banking, office and Councillor expenses.

Other expenses

All Funds and DWM: main items are contributions to other levels of government (Rural Fire Service, State Emergency Services and NSW Fire Brigades Council does receive some grants for RFS offsetting these contributions. Also includes donations to community groups.

Borrowing costs

All Funds and DWM: derived from interest paid on loans. Dependent on the level of borrowings and interest rates.

Depreciation

All Funds and DWM: Depreciation is non-cash expense that is fundamental to sound financial management as it represents the cost of asset consumption.

Depreciation is best understood as the means by which Council generates cash to fund work on infrastructure and other assets in the context of a balanced budget:

Why depreciation can be understood as the means of generating cash for work on assets

Ongoing operating deficits mean Council will have enough income to cover its cash expenses (employees, materials, etc.) but not its depreciation, so it may struggle to afford to invest what it needs to in its assets or capital works e.g. to renew a road in poor condition.

However, infrastructure investment needs will vary over time. Consequently cash generated “from” depreciation won’t necessarily be spent in the same year it is generated.

Works on Council’s assets are financed in 3 ways:

after the income is received, which means Council will keep it in a **cash reserve** until it is needed

at the same time as the **income** is received (current year income, including grants)

before the income is received, so Council will need to **borrow** to pay for the works, and then repay the loan as income comes in over time.

Council needs to ensure its depreciation expense is reasonable in order to achieve:

intergenerational equity (so the current generation pays for the cost of its services, including infrastructure, and future generations also pay their fair share of the costs of built services that benefit them).

financial sustainability (so Council is confident it will have sufficient money available when it needs it – either as cash reserves or as the capacity to repay borrowings).

Description of Expense types (continued)

In order to ensure accurate asset balances and depreciation expense Council:-

Is currently developing and maturing its asset management system.

Engages external, qualified, valuers to assess asset values and service lives. Valuers consult Council staff and final assessments are signed off by the NSW Audit Office.

Other expenses

All Funds and DWM: main items are contributions to other levels of government (Rural Fire Service, State Emergency Services and NSW Fire Brigades Council does receive some grants for RFS offsetting these contributions. Also includes donations to community groups.

Net losses from disposal of assets

All Funds and DWM: generally losses on the sale of plant and equipment as well as industrial estates and other land owned by Council from time to time.

Discussion on other items

Capital Works

Capital works are required to meet the financial sustainability objective of responsible and sustainable infrastructure investment and are guided by the Strategic Asset Management Plan (SAMP). The OLG Building and Asset Renewals Ratio prescribes that councils should spend the equivalent of depreciation on asset renewals over the longer term. Council is forecasting not to meet this benchmark over the next 10 years. This means that Council may need to spend *more* than depreciation in future years, as assets currently in good condition deteriorate, and therefore must maintain adequate cash reserves and/or borrowing capacity. Otherwise future generations may be faced with larger rate increases and/or service cuts to pay for the higher level of renewals required at that time.

Cash Reserves and Borrowing

One of Council's financial sustainability objectives is maintaining adequate cash reserves and to use borrowings where appropriate. The two are closely related:

Council builds up **cash reserves** when it receives income *ahead of* time compared to expenditure outlays

Council utilises borrowings as a way of overcoming "timing mismatches" [1] where outlays need to occur before the time it receives income to pay for these.

The following sections outline key issues in relation to cash reserves and borrowing.

Cash reserves

The General Fund cash reserves are described below. There are 3 main types:

externally restricted (legislation restricts what Council can spend these funds on)

internally restricted (Council has resolved to restrict the funds for specific things)

unrestricted (cash available to spend on anything, in accord with Council's budget)

Council can, by resolution, vary its internal restrictions at any time and are available for Council to allocate to any operational or capital activity therefore all such funds are effectively unrestricted. Accordingly, the OLG Unrestricted Current Ratio prescribes that councils includes both unrestricted and internally restricted funds.

In the past councils have used internal restrictions as a substitute for strategic planning. This use dates back to the era of cash accounting and absence of long-term planning required by the IP&R Framework where the SAMP and LTFP set out what Council does need in the future.

Instead of putting funds aside in 'biscuit tins' for specific purposes, IP&R requires councils to focus on forecasting what is required to spend to achieve its objectives and to ensure it has sufficient funds to cover the outlays (whether these funds be current year operating surpluses including grants or cash reserves and/or borrowings).

In addition to Council's operating performance capital works and capital grants impact Council's cash reserves. Council can use borrowings to supplement its cashflow so that its cash reserves don't dip below the minimum OLG benchmark*.

Borrowings

As discussed in relation to depreciation and cash reserves borrowings are a means of supplementing a shortfall in cash reserves for financing capital projects.

*The OLG's Code of Accounting and Financial Reporting includes a number of performance indicators with benchmarks (page 101). Amongst these is the "Cash Expense Cover ratio" which outlines the minimum level of cash and investments council's should retain to cover operating and investing cost. The benchmark for this ratio is ">3 mths" which equates to 25% of annual operating and financing costs. For the purpose of the LTFP we have taken a value of \$6M in cash and Investments as a suitable value to strive for.

General Fund Excluding DWM

Assumptions

Income Items	Assumptions
Rates and annual charges	2023/24: 3.7% 2024/25: 3.0% 2025/26 – 2032/33: 2.5%
User fees and charges	2023/24: \$4.1M 2025/26 – 2032/33: 3.0%
Interest	2023/24: 4.0% 2025/26 – 2032/33: 2.7% increasing to 4.2% Actual \$ calculated on cash and investment balance.
Operating grants and contributions	Ongoing Financial Assistance Grant (FAGs) with 75% prepayment and Regional Roads Block and Repair Grants. Other minor community service and operating grants for service delivery. Roads to Recovery (RZR) and Regional and Local Roads One – off (2023/24 only) Repair Program (RLRRP).
Other revenues	2023/24: \$600K 2025/26 – 2032/33: 2.5%
Other income	2023/24: \$300K 2025/26 – 2032/33: 2.5%
Expense Items	Assumptions
Employee costs	2023/24: \$8.8M 2025/26 – 2032/33: 2.5%
Materials and services + other expenses	2023/24 – 2027/28: 8% 2025/26 – 2032/33: 2.5%
Borrowing costs	2023/24: \$600K 2025/26 – 2032/33: decrease as per payment schedules.
Depreciation	Determined using average depreciation rates for asset classes and estimates. For clarity it is not indexed.

FINAL DRAFT

Depreciation and amortisation	5,782,839	6,197,554	6,506,341	6,633,936	6,773,268	7,018,061	7,136,093	7,248,260	7,384,950	7,497,347	7,617,628
Other expenses	231,000	233,063	233,063	233,063	233,063	233,063	233,063	233,063	233,063	233,063	233,063
Net losses from the disposal of assets	661,750	-	-	-	-	-	-	-	-	-	-
Expenses	25,130,666	24,203,311	24,853,704	25,396,850	25,965,388	26,649,300	27,216,556	27,788,246	28,395,097	28,988,783	29,602,562
Net Operating Result	9,632,690	(2,013,230)	(3,434,227)	(2,509,247)	(842,543)	(3,878,978)	(3,967,887)	(4,049,785)	(4,205,238)	(4,305,651)	(4,409,484)
Net Operating Result excluding Capital grants & Contributions	(3,177,309)	(2,516,230)	(3,957,433)	(4,045,534)	(4,142,236)	(4,442,413)	(4,545,409)	(4,641,745)	(4,811,997)	(4,927,578)	(5,046,960)

The above table indicates that, based on the assumptions in the LTFP, for the General Fund:

- council's operating **income** is forecast to grow marginally.
- Council's expenses are also forecast to grow marginally and will continue to exceed operating income, resulting in ongoing operating deficits.
- In order to meet its obligations under the Local Government Act Council will need to implement actions to address its operating deficit.

The above table indicates that, based on the assumptions in the LTFP, for the General Fund:

- Currently undertaking a high level of capital works that will revert to a normalised level in future years.
- Currently benefitting from significant capital grants but also using cash reserves and borrowings.
- As a result of the ongoing operating deficits, and the funding of capital works (that do not have matching grant or loan funding) cash reserves are being depleted and a cash deficit is forecast in 2028.
- In order to meet its obligations under the Local Government Act Council will need to implement actions to address its forecast cash deficit.

For noting - While council recognises that items such as Provisions, Payables and Receivables will vary, many cannot be forecast and as such have been left constant.

Domestic Waste Management

Assumptions

Income Items	Assumptions
Rates and annual charges	2023/24: \$2.4M 2025/26: 3.0% then 2.5%
User fees and charges	2023/24: 7% (reduction) 2025/26 – 2032/33: 3.0%
Interest	2023/24: 4.0% 2025/26 – 2032/33: 2.7% increasing to 4.2% Actual \$ calculated on cash and investment balance.
Operating grants	Not Applicable
Other revenues	Minimal/Not Applicable
Total Income	Forecast to increase by 6%
Expense Items	Assumptions
Employee costs	2023/24: \$890K 2025/26 – 2032/33: 2.5%
Materials and services + other expenses	2023/24: \$1.5M 2025/26 – 2032/33: 2.5% Note: does not include additional costs associated with FOGO and other programs or initiatives. These are yet to be determined.
Borrowing costs	Not Applicable.
Depreciation	Determined using average depreciation rates for asset classes and estimates. For clarity it is not indexed.
Other Expenses	2023/24: \$280K Increases by 280K with each new cell. \$560K in 2024/25, \$840K in 2026/27. Note: The annual value of the unwinding of the provision is potentially very volatile.

FINAL DRAFT

Expenses	2,805,843	3,301,606	3,651,916	3,539,612	3,635,806	4,285,502	4,150,190	4,275,646	4,625,206	4,602,703	4,765,277
Net Operating Result	346,629	55,195	(191,014)	22,065	24,120	(537,271)	(303,368)	(327,107)	(590,329)	(465,541)	(522,529)
Net Operating Result excluding Capital grants & Contributions	346,629	55,195	(191,014)	22,065	24,120	(537,271)	(303,368)	(327,107)	(590,329)	(465,541)	(522,529)

The above table indicates that, based on the assumptions in the LTFP:

- Income has increased as a result of the introduction of domestic tip fees.
- Expenses will exceed income mainly due to the recognition of the Landfill Rehabilitation Provision.
- The operating surplus is forecast to increase over time, but the improvement is largely due to the effect of CPI. This will assist with funding the legislated implementation of organic waste reduction programs as well as environmental sustainability initiatives and allow for funds to be set aside for the rehabilitation and restoration of the landfill site on decommissioning.
- Waste management is an uncertain area with new and more rigorous regulatory requirements. Sustainability needs to be monitored.

The above indicates that, based on the assumptions in the LTFP, DWM:

- Forecasts the need to invest in landfill and waste management infrastructure to comply with tightening regulations and to improve environmental sustainability.

For noting - While council recognises that items such as Provisions, Payables and Receivables will vary, many cannot be forecast and as such have been left constant.

Water

Assumptions

Income items	Assumptions
<i>Rates and annual charges</i>	2023/24: 7% 2025/26: 3% then 2.5%
<i>User fees and charges</i>	2023/24: \$3.2M 2025/26 – 2032/33: 3.0%
<i>Interest</i>	2023/24: 4.0% 2025/26 – 2032/33: 2.7% increasing to 4.2% Actual \$ calculated on cash and investment balance.
<i>Operating grants</i>	Not Applicable
<i>Other revenues</i>	Minimal/Not Applicable
Expense items	Assumptions
<i>Employee costs</i>	2023/24: \$1.8M 2025/26 – 2032/33: 2.5%
<i>Materials and services + other expenses</i>	2023/24: \$1.8M 2025/26 – 2032/33: 2.5%
<i>Borrowing costs</i>	Not Applicable.
<i>Depreciation</i>	Determined using average depreciation rates for asset classes and estimates. For clarity it is not indexed.

* Includes Vance Estate S64 and S94 contributions

The above table indicates that, based on the assumptions in the LTFP:

- Financial performance will improve over time, building on the current surplus and also generating more income from interest on growing reserves.

The above indicates that, based on the assumptions in the LTFP, the Water Fund is:

- Currently not undertaking a high level of capital works and this is forecast to remain so over the LTFP.
- Building up cash reserves (green line) because of its operating surpluses and relatively low levels of capital works. Borrowings are not required.
- Forecasting the upgrade of Leeton Water Treatment Plant in 2031.

For noting - While council recognises that items such as Provisions, Payables and Receivables will vary, many cannot be forecast and as such have been left constant.

Sewer

Assumptions

Income items	Assumptions
Rates and annual charges	2023/24: 9% 2025/26: 3% then 2.5%
User fees and charges	2023/24: \$278K (reduced from 2022/23 for reduced Trade Waste) 2025/26 – 2032/33: 3.0%
Interest	2023/24: 4.0% 2025/26 – 2032/33: 2.7% increasing to 4.2% Actual \$ calculated on cash and investment balance.
Operating grants	Not Applicable
Other revenues	Minimal/Not Applicable
Expense items	Assumptions
Employee costs	2023/24: \$1.2M 2025/26 – 2032/33: 2.5%
Materials and services + other expenses	2023/24: \$1.0M 2025/26 – 2032/33: 2.5%
Borrowing costs	Not Applicable
Depreciation	Determined using average depreciation rates for asset classes and estimates. For clarity it is not indexed.

FINAL DRAFT

Leeton Shire Council

Long Term Financial Plan 2023-2032

* Includes Vance Estate S64 and S94 contributions

The above table indicates that, based on the assumptions in the LTFP, for the Sewer Fund:

- Income will continue to increase largely due to interest income on higher cash reserves, so financial sustainability needs to be monitored over time.
- Expense will continue to increase due to investment in the Wamoon Sewer Scheme which will increase both depreciation and operating costs.
- However operating surpluses will improve and build on the current surplus and generate more interest income.

The above table indicates that, based on the assumptions in the LTFP:

- currently forecasting a relatively low level of capital works.
- expecting to increase cash reserves (green line) as a result of the level of capital works and borrowings are not required.

For noting - While council recognises that items such as Provisions, Payables and Receivables will vary, many cannot be forecast and as such have been left constant.

Overview

Alternative Scenarios for the General Fund

The Base Case is unacceptable as it forecasts:-

- An average operating deficit of \$4.3M over the ten years to 2032/33
- That Council will be in a cash deficit by June 2028.

Accordingly, the Base Case does not allow Council to be financially sustainable or to meet its obligations under the Local Government Act (LGA).

The General Fund's financial sustainability challenges are firmly entrenched, with operating deficits reported in the 2020/21 and 2021/22 Annual Financial Statements and in recent forecasts, including those prepared by Morrison Low Consultants in 2022. The situation will not change in the medium or long term without intervention.

Morrison Low Consultants also concluded in 2022 that Council was underspending on its asset renewals by \$1.6M per year for roads and buildings. This needs to be reviewed by Management and any changes reflected in the Strategic Asset Management Plan (SAMP).

In response to this current reality scenarios have been prepared for Council to explore to manage its financial sustainability, including by:-

- Increasing revenues via a SRV.
- Reducing expenses via service reductions or operational efficiencies.
- Reducing investment in assets to preserve cash reserves. This is included as a short-term measure in response to the potential cash deficit. Reducing capital investment will inhibit Council's obligation to maintain its asset base as "fit for purpose".

General Fund Excluding DWM Scenarios

The following scenarios have been developed looking at a combination of increased income through an SRV and operating savings

The scenarios have the following common assumptions with changes due to variables being outlined in each Scenario.

Income items	Assumptions Scenario #0 (Base Case)
Rates and annual charges	Varies with Scenario
User fees and charges	2023/24: \$4.1M 2025/26 – 2032/33: 3.0%
Interest	2023/24: 4.0% 2025/26 – 2032/33: 2.7% increasing to 4.2% Actual \$ calculated on cash and investment balance.
Operating grants and contributions	<i>Ongoing</i> Financial Assistance Grant (FAGs) with 75% prepayment and Regional Roads Block and Repair Grants. Other minor community service and operating grants for service delivery. Roads to Recovery (R2R) and Regional and Local Roads One – off (2023/24 only) Repair Program (RLRRP).
Other revenues	2023/24: \$600K 2025/26 – 2032/33: 2.5%
Other income	2023/24: \$300K 2025/26 – 2032/33: 2.5%
Expense items	Assumptions
Employee costs	2023/24: \$8.8M 2025/26 – 2032/33: 2.5%
Materials and services + other expenses	2023/24 – 2027/28: 8% 2025/26 – 2032/33: 2.5%
Borrowing costs	2023/24: \$600K 2025/26 – 2032/33: decrease as per payment schedules.
Depreciation	Determined using average depreciation rates for asset classes and estimates. For clarity it is not indexed.
Additional Savings	Varies with Scenario

35% SRV over three years (including the Rate Peg) from July 2024 with potential annual savings of up to \$215K per annum
The attached table demonstrates that under this scenario:-

- Council does not achieve an operating surplus over the life of the LTFP and is therefore not financially sustainable as required under the LGA.
- If the savings are not implemented or achieved, Council falls below the OLG benchmark for cash reserves of \$6M by June 2027 and continues to trend down but does not reach a cash deficit over the life of the LTFP.
- If the savings are able to be achieved, Council is able to almost maintain the OLG benchmark for cash reserves over the life of the LTFP.

35% SRV over three years (including the Rate Peg) from July 2024 with potential annual savings of up to \$1M per annum

The attached table demonstrates that under this scenario:-

- Council is able to (effectively) achieve an operating surplus by the end of the life of the LTFP and will therefore be financially sustainable as required under the LGA in the longer term.
- If the savings are not implemented or achieved, Council falls below the OLG benchmark for cash reserves of \$6M by June 2027 and continues to trend down but does not reach a cash deficit over the life of the LTFP.
- If the savings are able to be achieved, Council is able to maintain the OLG benchmark and build its cash reserves over the life of the LTFP and enable Council to appropriately maintain its asset base.

The attached table demonstrates that under this scenario:-

- Council is able to (effectively) achieve an operating surplus within five years in the medium term, by June 2028, and will therefore be financially sustainable as required under the LGA.
- If the savings are not implemented or achieved, Council still remains within the OLG benchmark for cash reserves of \$6M over the life of the LTFP and is able to appropriately maintain its asset base.
- If the savings are able to be achieved, Council still remains within the OLG benchmark for cash reserves of \$6M over the life of the LTFP and has the potential to ensure assets are well maintained with the possibility of being held at better condition.
